ANTIOCH, ILLINOIS, THURSDAY, MARCH 6, 1969

VOL. LXXXIII, NUMBER 37

Dr. Albert Bucar, president of the Illinois Optometric Association, of Antioch, left, and Gov. Richard Ogilvie view the governor's proclamation naming the week of March 2-8 as "Save Your Vision Week."

Vision Week Is Named

Gov. Richard Ogilvie has signed a proclamation proclaiming the week of March 2-8 as "SAVE YOUR VISION WEEK."

Each year the President of the United States invites public action that will impress upon the American public the importance of achieving and maintaining good vision.

At the signing of the Governor's Proclamation, Dr. Albert Bucar, of Antioch, President of the Illinois Optometric Association, stressed the importance of parents, teachers and students understanding that good vision is vital to the development and learning of all peoples.

Dr. Bucar further stated, "... Driving today is a very complex task which requires several major decisions every minute behind the wheel.

"Unfortunately, a frightening

ACHS Will Present Lil Abner

Lil Abner will help welcome Spring to Antioch; to the stage of Antioch Community High School, to be precise. The high school is back in the musical comedy field with the Fine Arts Department's presentation of this very popular Broadway show on March 21 and 22.

The production, based on Al Capp's cartoon characters, is under the general direction of Ken Smouse, English and drama teacher. Joe Rush, chairman of the Fine Arts Department, is

Housing Committee To Formulate Goals

The first meeting of the newly formed Lake County Housing Study Committee was held Friday noon. Chairman of the committee is Richard Kennedy, assistant to the publisher of the Waukegan News-Sun.

Kennedy told those attending the initial session, "I know of no problem more acute in the county than housing, it affects in-

Mrs. Vos Named To VP Post

Mrs. Edmund F. Vos, Antioch, was elected second vice-president at the February meeting of the Lake County Mental Health Society Board.

Other officers elected were Dr. Robert P. Barrell, Waukegan, president; Mrs. M. E. Amstutz, Gurnee, first vice-president; Mrs. William E. Heringlake, Waukegan, secretary, and Francis W. Heinlen, Waukegan, treasurer.

Mrs. Vos was instrumental in the development of the Antioch Auxiliary to the Lake County Mental Health Society. The Auxiliary, through operation of its Thrift Shop, has regularly supported mental health programs in the county through its contributions to the Mental Health Society.

The Society was responsible for the development of the Lake County Mental Health Center, which has been operating since 1957 and serving mental health needs within most of Lake County.

In addition to continuing responsibility for the Center, the Society is concerned with educational and scientific activities designed to promote mental health in the community.

dustry, the military and private individuals." He reviewed recent progress in the area of industrial construction, new shopping centers, and proposed developments then added, "However, we have a woeful lack of adequate housing."

Four men were named to a steering committee which will re-

(Continued on page three)

Cultural Program On March 14

The 154-piece Fifth Army Concert Orchestra will perform at 8 p.m. March 14 at Grant High School as the first in a series of cultural programs being put on by the Co-op Night School.

Marvin Smith, director of the Co-op Night School, which includes Antioch, Grayslake, Grant and Round Lake, said the band is donating its services.

If this program works out and the response is good, Smith said, "we will continue with other programs."

House Fire Damage at \$10,000

A fire last week caused \$10,000 damage to the home owned by Kenneth Robinson, on East Loon Lake in Wedgwood Subdivision.

The fire apparently started, authorities said, when the burners on an electric stove were left on all night.

The two-story frame building was not occupied at the time of the blaze.

It was reported to the Antioch Fire Department by a passerby at 4:50 a.m. and had a good start by the time firemen arrived on the scene.

The entire house was gutted, authorities said.

Tiede Heads Ticket In Lake Villa

The Citizens Party, headed by former supervisor Edward Tiede, is gaining headway in the Lake Villa Township race, Tiede reported.

He pointed out that he has two Republican committeemen on his ticket and a recent talk at the Lake Villa Veterans of Foreign Wars club, before the Lake Villa Township Republican Club drew a crowd of about 150 persons.

Tiede is a former township clerk and spent 12 years on the Lake County Board of Supervisors before leaving in 1965 and at that time was the 9th ranking member of the board.

Running with Tiede are John G. Janega, for town clerk; Robert D. Coleman for assessor; and Raymond J. Colucio, Mildred Mahoney and Axel Swanson for auditors.

Sewer Solution Seen In New Elementary School

Members of the village sewer & water committee, Mayor Raymond Toft and village engineer Frank Angelotti have come up with a program that might be the solution to the new Antioch upper elementary school sewer and water problem.

They met Tuesday night with the Grade School Board prior to the village board meeting. Members of the committee include Vern L. Barnstable, Arthur Meierdick and Richard Radke.

It was proposed to the school board that the lift station at the Tiffany Arms Apartments be moved and a bigger one put in. The smaller station then could be moved to a point on Rte. 173 near the school.

A gravity line would carry the flow halfway to the school and then the force main would take over feeding it to the lift station. The village's share of such a project, Mayor Toft said, would be about \$16,000.

Angelotti said that the water line would be no problem because it would go from Lake Street to Tiffany Road and then to Rte. 173 and the school.

It was pointed out that the enlargement of the facility at Tiffany Arms would also allow other businesses in the area to tap in and still the flow could be managed.

Mayor Toft said that the next move would be up to the Grade School Board to determine whether it could come up with its prorata share of the cost of the project.

He said that the school board is referring the matter to its architect and that a decision on which way the project is to go would be made soon.

Also included in the program

would be for the school board to annex the property to the village.

In other action, the village board went on record as opposing a bill before the legislature that would remove the appointment of board members for the fire district from the jurisdiction of the circuit court judges and place it in the hands of the chairman of the Lake County Board of Supervisors.

Toft said that the Lake County Firemen's Association is also against the measure.

The bills in practically the same form passed the 1967 session of the legislature but were vetoed by the then Gov. Otto Kerner. Those bills would have removed the appointment of all boards in the county from the judge's hands.

POPPY DAYS

The board Tuesday night also approved May 16 and May 17 as Poppy Days in Antioch at the request of the Veterans of Foreign Wars. And the board also approved the request of the American Legion to hold a Memorial

(Continued on page three)

Science Fair Is Set

The R-Phy-Chem Science Club of Antioch Community High School announces its 11th Annual Local Science Fair, to be held at the high school on March 12.

Lake Villa and Antioch students from seventh grade through high school will be exhibiting many fine projects.

Each entry is rated individually and receives a first, second or third place. The first place winners compete in another event—the District Science Fair held later this spring.

There are also two awards of \$25.00 each, which are presented to the two outstanding projects, one at the 7th and 8th grade level and one at the high school level.

Roger Sorenson is the chairman of this year's Science Fair and Mr. Krahn, sponsor of the Science Club, promises it will be the best ever.

The Science Fair stimulates research and enthusiasm in all phases of scientific work.

There will be such a variety of categories and projects that a tour of the fair would be of great interest to anyone.

Students may begin setting up projects at 3:30 and judging begins at 6:30. The public is welcome to view the judged projects beginning at 8:00 p.m.

PM&L Tryouts Begin Today

Tryouts for the PM&L production of "The Rainmaker" will be held at the PM&L Theatre, 870 Main St., Antioch, this Thursday and Friday, March 6 and 7 at 8:00 p.m.

Don Beveroth will direct this drama. It will be given April 18, 19, 25 and 26.

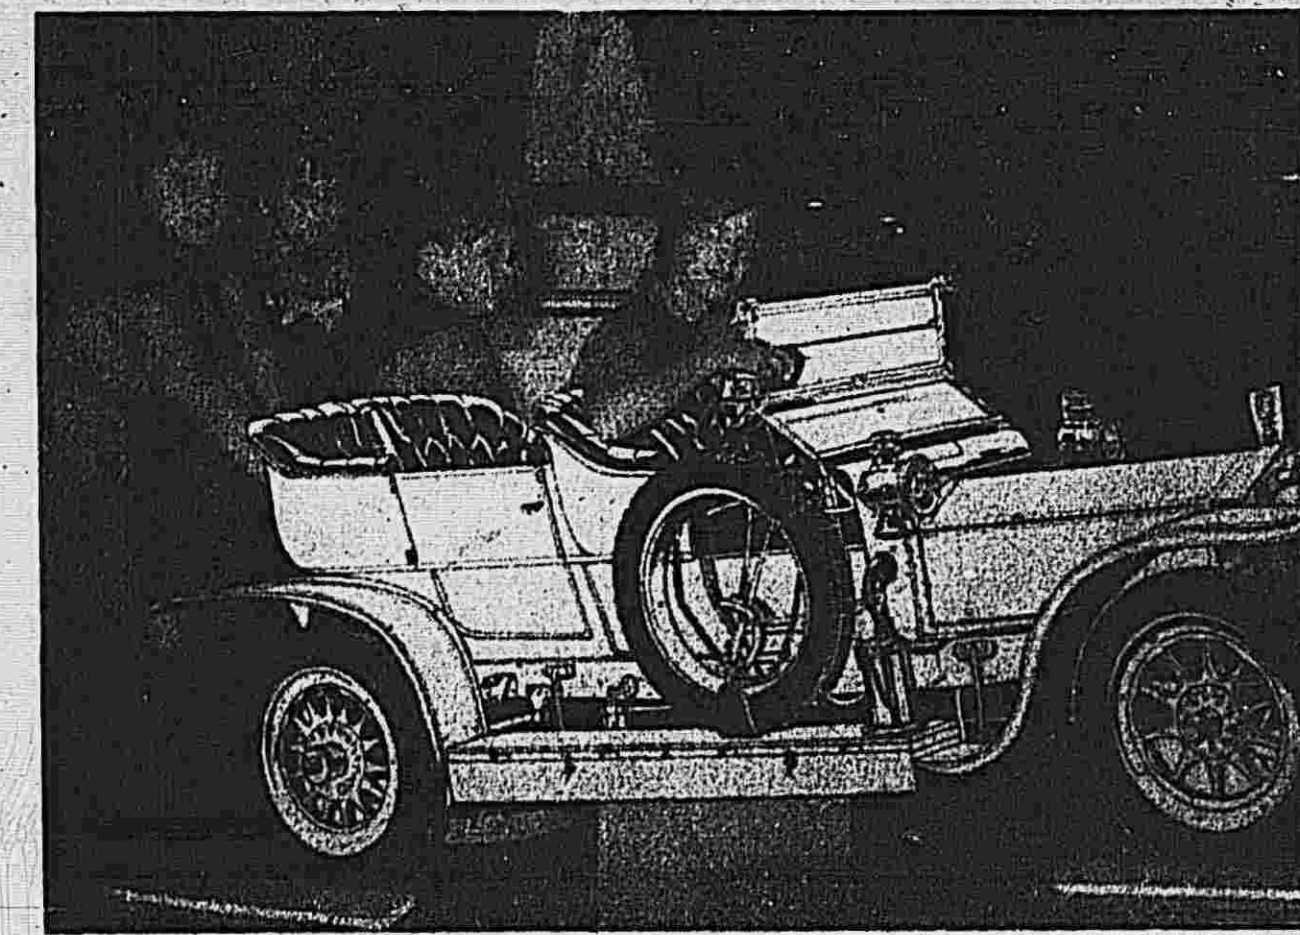

There are six men and one woman in the cast. Anyone interested in being on the production staff and crew is also invited to come to talk to the director.

Wrong Figure For Emmons Student Body

In last week's edition in the story on the Emmons Grade School tax rate hike vote, it was stated that Emmons had 120 students.

That figure was incorrect.

The correct figure for Emmons Grade School student body is 185.

Girl Scouts from the Lakeview Council rev up their motors for the annual cookie drive which ends Friday.

American Legion Month Proclaimed

Antioch Mayor Raymond Toft has proclaimed the month of March as American Legion Fiftieth Anniversary Month in Antioch.

In his proclamation, Toft called upon all citizens, business houses and organizations to join with him in commending the good works of the organization as an "expression of appreciation of both the wartime and peacetime services of our Legionnaires."

The American Legion was founded in 1919, shortly after the cessation of World War I hostilities.

Its major contributions to American thought and deed and its endeavor to strengthen our freedom and to perpetuate our free institutions have identified the American Legion as one of the great bulwarks of the American way of life, the proclamation states.

Toft said that the Legion has become an integral part of Antioch and the local American Legion organization a civic asset.

Its membership now encompasses four generations of war veterans.

Object To Zoning

Objections are on file to a petition by Thomas Steiskal, of Antioch, to rezone from residential to commercial recreation property along a channel running between Fox Lake and Grass Lake.

The objections were made at a hearing last Friday before the Lake County Zoning Board of Appeals in the Old Village Hall in Antioch.

Steiskal said he intended the project primarily for fishermen and that his marina would rent and store rowboats. He said he

Lions Club Will Hear Ronnie Bull

The Antioch Lions Club will have Ronnie Bull of the Chicago Bears as its program Monday, March 10.

Bull, starting running back for the Bears, will show highlights of the 1968 pro-football season.

The dinner meeting will be held at Lorenz's Smart Country House, Rte. 173, beginning at 6:30 p.m.

Taxpayers Party Opens Headquarters

The Taxpayers Independent Political Party, seeking to unseat the incumbent Township officials in the election April 1, has kicked off its campaign.

Offices have been opened in the old Lyons-Ryan garage and Frank ReCupido is serving as campaign chairman for the group.

ReCupido said that bumper stickers and other material is available and volunteer help would be welcomed.

Stan Revell, son of Mrs. Florence Revell, of Lake Marie, was one of six Air Force men picked to act as bodyguard and messengers for President Richard Nixon during his three-day stay in London last week.

Lake Villa Man Killed In Crash

William Hazel, 22, of Cedarcrest Drive, Lake Villa, was fatally injured and two others were injured when their car hit broadside into a tree on Edie Road about a mile north of Sand Lake Road last week.

Hazel was a passenger in a car driven by Raymond L. Caldwell, 22, of 3050 Norma Lane, Waukegan, who was injured, along with another passenger, Michael Mitchell, 20, of 700 Cedarcrest Drive, Lake Villa.

Caldwell told authorities he swerved to avoid another car and lost control in the mud on the shoulder of the road and slam-

(Continued on page three)

Grade School Bands To Present Concert

An afternoon of music has been planned for the Antioch community by the Antioch Grade School Bands and chorus.

Their first annual Spring concert will be presented this Sunday, March 9 at 3 p.m. in the Antioch Grade School gym. This concert is free and open to the public.

The band and chorus include children from Channah Lake, Oakland, and Antioch Grade Schools. There are 163 members in the three bands and approximately 50 in the chorus.

The senior band will play the selections that will be played for contests: "The Minstrels," "Contemporaries," and "Overture for Winds." Then they will combine with the chorus to present "Come to the Fair," and "Born to Be Free."

Two of the junior band numbers will be "Old King Cole" and "Misty Blue." The prep band, playing for the first time in concert, will include "St. Alban Hymn" and the "Peanut Song."

All bands are under the direction of George Olisar.

The chorus, directed by Mrs. Judith Robinson, will sing "Hey Diddle Diddle," "Who Built the Ark?", "Yankee Doodle Boy," "The Fox," "Down by the Riverside," and "Dona Nobis Pacem."

EDITORIAL

Happy Birthday

The American Legion is 50 years old this month.

And throughout the years it has grown into a vital organization for civic betterment throughout the United States.

Its members come from all walks of life but they have a common bond.

They were ready when their country was in need and they went to its defense without hesitation.

That tradition in the American Legion has continued through four generations of a fraternity of war veterans dedicated to service.

And the service has carried over into community life in practically every village and city throughout the country.

When you speak of Americanism these days you automatically think of the American Legion and its members.

When you think of the endeavors that have been started to foster the American way of life and the freedom that it brings to its citizens, you will find the American Legion in the forefront.

We commend this organization, and especially our local unit, for its good works, both in wartime and in peacetime.

We regard with the highest esteem and commendation their efforts to keep America free.

It has grown into an organization that is one of the protectors of The American Way.

Glue-Sniffing

Lake County Coroner Orville S. Clavey has put out a new booklet entitled "Glue Sniffing, The Killer."

The four page pamphlet points out the seriousness of the problem and was prompted by two deaths in Lake County this year.

There has also been a number of cases reported in which brain damage resulted.

There are a number of known glue sniffers among the county's young population, according to Clavey.

His purpose in putting out the pamphlet is to warn teachers and parents of the problem and of the signs to look for.

He believes that the publishing is well worth it if it saves just one life.

We agree.

Clavey has been criticized for putting out the pamphlet because "you are letting the kids know what they can sniff."

His retort, and we think it is a good one, is that the information contained in the pamphlet came from the kids.

It is about time that the people of Lake County woke up to the fact that the youngsters are on a kick and it is not true that the problem will go away if you ignore it.

It would seem to us that teachers and parents would welcome the information that is already available to their children.

We think we need more in education of the older generation to the things that their youngsters are trying out these days.

It may save a lot of heartbreak later.

Landscaping Course Is Being Offered

A course in Landscaping The Home Grounds will be presented during the month of March in the New 4-H and Adult Extension Building on the Lake County Fair Grounds. The landscape course will be conducted by Extension Adviser, Ray T. Nicholas. Similar courses were conducted the past five years with a total of over 186 enrollments. Many who enrolled in the course have partially or completely landscaped their home grounds, states Nicholas.

The course consists of five two-hour sessions from 1:00 to 3:00 p.m. starting on Thursday, March

6th. Other sessions will be on March 13, 20, 27, and April 3.

The course which will be conducted by Lake County Extension Adviser Nicholas will cover such topics as Your Landscaping Needs, Starting the Plan, Analyzing the Site, Choosing Landscape Structures, Choosing Construction Materials, Fitting Plants to Environment, Fitting Trees to the Plan, Fitting Flowers to the Plan, Designing the Public, Private, and Service Areas, and Buying and Caring for Plant Materials.

Application blanks for the course may be obtained by calling or writing the Lake County Extension Adviser's office, Lake County Fair Grounds, P. O. Box 267, Grayslake, Ill.

All enrollments for the course are due in the Extension Adviser's office by Feb. 28.

Your Congressman

By Cong. Robert McClory

It can be stated again that the Israeli-Arab crisis could be more explosive than Vietnam. No-

where in the world today are the two super powers threatened more directly with a confrontation than in the Middle East. While the United States experience with the Israeli-Arab controversy spans only several decades, some of the underlying and seemingly insoluble problems are more than two thousand years old.

It should be stated initially that United States policy has been to support the creation and preservation of an independent and sovereign State of Israel.

Indeed, both the United States and the Soviet Union voted in the UN for the establishment of this independent Jewish state. Supported also by a large majority of UN members, Israel's independent status has continued since 1948. However, none of the 18 Arab states has yet recognized the existence of the State of Israel. In fact, the more than 100 million persons in the Arab world are tied to a policy which seeks to eliminate Israel as an autonomous nation and to partition its territory among the Arab nations of Jordan, Syria and Egypt.

Recently, the United States has devoted its principal efforts in two directions: First by supporting United Nations' efforts toward a peaceful solution of the conflict. The UN established a mission, headed by Gunnar Jarring of Sweden, aimed at bringing the two warring sides together into some type of peaceful settlement. Second, our nation has engaged in unilateral efforts with both Arab and Israeli leaders seeking to find a basis for a permanent and peaceful settlement.

With the Soviet Union allied openly with the Arab nations, the United States' role in seeking to communicate with both sides has been both difficult and unspectacular.

Incidents such as the Israeli sneak attack upon non-military aircraft in the Beirut airport, and the horrifying hanging of alleged spies by the Iraqi Government (including 9 Jews) tend to divert our nation's and the world's attention from the main issues involved in the Israeli-Arab crisis. The inflammatory attitudes which follow in the wake of such events require the utmost in restraint and calmness to avert what could develop into a nuclear holocaust.

The fundamental elements essential to an Israeli-Arab settlement are the following: 1) Recognition of the sovereign status of the State of Israel; 2) free access to the Suez Canal, the Gulf of Aqaba and other international waters; 3) a solution of the refugee problem and a guarantee of equal civil rights for Arabs and Jews alike regardless of their place of residence; 4) a return of territories occupied by the Israelis as a result of the June 1967 war; and 5) guaranteed access of all religious groups to the Holy City of Jerusalem.

To an average American these goals may seem simple, indeed, but to an Arab or a Jew they are seemingly insurmountable.

These issues, as well as the facts underlying them, are delineated clearly and fairly in a recent State Department publication entitled "Issues in United States Foreign Policy," edited by a former Deerfield (12th District) resident—John C. Kimball. Mr. Kimball who now lives in Washington is Senior Editor in the Bureau of Public Affairs of the State Department.

President Nixon has placed the Israeli-Arab problem at the head of his foreign policy list. On this sensitive—and non-partisan issue—the Members of Congress are anxious to give the President their full support.

Antioch, Ill. 60002

Dear Sir:
The Board of Directors of the Metropolitan Chicago Chapter of The National Foundation—March of Dimes joins me in extending sincere thanks to you and your staff for excellent coverage of the 1969 March of Dimes to prevent birth defects.

Your support of our efforts to bring about greater awareness of the problem of birth defects is sincerely appreciated. Much of the credit for our success this past year belongs to you.

We thank you for your continued generous support of the programs of the March of Dimes.

Sincerely,

John S. Dean
General Campaign Chmn.

THE ANTIOCH NEWS
904 Victoria Street
Antioch, Ill. 60002

Dear Editor:
Jehovah's Witnesses enjoyed another fine Christian assembly at Steinmetz high school, February 14-16, attended by 2,091. So the Spring Grove, Illinois Congregation of Jehovah's Witnesses is grateful for the careful consideration and generous publication of news about it which appeared in so many newspapers.

Thank you particularly for using the facilities of the Antioch News. People whom we meet in our door to door missionary work often remark about reading various things about Jehovah's Witnesses in their neighborhood newspaper. Publishing news about various people and their activities helps engender understanding and enlightenment. Certainly understanding of one another needs all the help it can get world wide—but it does start right in our own communities. Newspapers have not only helped inform the public of certain persons right there, in the community who were delegates at our circuit assembly, but also the purpose of it, plus many specific details.

No doubt some came to hear the Sunday public talk entitled, "Law and Order—When and How?" because of your item. All who came certainly learned that God is very much interested in man's problems and has a solution we shall see in our day.

Naturally, we look forward to other occasions when we can submit for your consideration features that are newsworthy for the community. We wish the Antioch News continued success as you go on informing the neighborhood about various matters of importance.

Yours truly,
David L. Mitchell
Presiding Minister
Spring Grove, Ill.
Congregation of Jehovah's Witnesses

Your Lt. Gov. Reports —

That question is put to me more than any other these days. "Can you have a Governor and a Lieutenant Governor of two different parties and make it work?"

The answer is it can work, and I believe it will. In two or three years we can view all of this with more perspective and get a clearer answer. But here are some facts which you should know:

1. Illinois faces its most difficult legislative session since 1933. There are some obvious financial needs, such as education, and some less obvious needs, also of great importance. The answers to these problems are not going to be found easily. Governor Richard Ogilvie knows this; I know this. It does not seem un-

training the pit band and Ralph Brooke, vocal director, is in charge of training the chorus and soloists.

Jane Craner, art instructor, has designed the cartoon-like stage settings. Don Drake, audio-visual coordinator, is in charge of sound and lights.

Diane Busch, librarian, and Sharon Reich, home economics teacher, are charged with costume coordination.

Tickets are available from members of the cast or members of the high school bands or choirs. Curtain time will be 8 p.m.

Weather Report...

(Continued from page one)
bined monthly temp. of 26.05°, our ten year average is 23.86°. Our total precipitation was .18" which came as 1.8" of snow, a 10 year average is 1.38" of precipitation, and 9.81" of snow. I thought this was going to be a record breaker, but in 1947 we only had .10".
Your daily weather for Antioch can be heard on WKRS in Waukegan at 06:55 and 07:55 a.m. at 1220 on your radio dial.
Signs of Spring are beginning to show up around us. Quite a few Blackbirds have returned and flights of geese have been seen heading North. The "Time For A Change" is drawing near.

likely that we can work together toward goals we both acknowledge.

2. In the past election Illinois voters had a choice between two good candidates for governor. I supported the losing candidate, but at no time did I lose my respect for Dick Ogilvie. We had known each other for perhaps eight years and our relationship has always been a cordial one.

3. Shortly after I learned the election results, I phoned the governor-elect and told him I would not use the authority of the lieutenant governor to be an obstructionist. When he leaves the state and I am acting governor, no bills will be signed or vetoed, no vacancies filled, no cabinet members fired. All of these things I could legally do, but will not. I also assured him if tragedy should strike either of the United States Senators—when I am acting as governor—and I hope and pray it does not—I would not fill the vacancy by appointment, though I have the authority to do it.

4. For his part, the governor-elect assured me of his cooperation, saying he agreed the lieutenant must have adequate and competent staff, and told me he liked the idea of my becoming an Ombudsman (trouble-shooter for citizens' complaints).

I might add a more personal factor: Mrs. Ogilvie is gracious, natural and likable. My wife heartily concurs in that opinion. These are only some of the factors which will go into the entire operation.

There will be—and should be—differences. When they occur I will not pretend they do not exist, nor I am sure will Governor Ogilvie.

But we start in an atmosphere of mutual respect, and this should be a hopeful sign for the people of Illinois.

Two Candidates File For Board

Two persons have filed thus far for the two openings on the Antioch Township High School Board.

Robert Denman, whose term is expiring, has filed along with Gustave Costoff.

Saturday, March 22 is the last day for filing for the two posts.

Personal Property Tax Time

April 1 is a day of reckoning for Illinois taxpayers.

Under law, taxpayers must take inventory of their personal possessions as of April 1 of each year and turn that information over to their county tax assessors.

The report is required of every Illinois resident "of full age and sound mind" and must include property purchased or acquired as April 1. The taxpayer has until June 1 to file the list of his personal assets located in Illinois.

According to the Illinois State Bar Association, the April 1 cutoff means the taxpayer may save money by deferring any major personal property purchase until after that date. Property acquired April 2 or thereafter does not become reportable until April 1 of the following year. Moreover, any tax on the property would not become due for another year, since the annual tax bill is based on whatever personal property owned on April 1 of the preceding year.

Thus, the ICBA notes, the purchase of a new car on April 2, 1969, would be reflected in the tax bill which becomes payable

in 1971 but not before.

In some cases the tax assessor or one of his deputies may turn up at a person's residence or place of business where he will jot down the personal property the person owns, and assign a value to it. He will inquire about the person's furniture, TV set, automobile and dog and whether he has stocks or bonds, livestock or corn in the crib.

In more populous areas it is not possible for the assessor to pay a personal visit to every taxpayer. In that event the taxpayer must receive in the mail a printed blank schedule on which he must list his personal property and the fair cash value of each item. He can mail the schedule to the assessor or return it in person.

If a person should refuse to make a schedule of his personal property, the assessor is authorized to make his own list of the person's property according to his "best knowledge, information and judgment." To the fair cash value of the items the assessor is required to add an amount equal to 50 percent of the valuation as a penalty.

The taxpayer who makes a false list is also in trouble. He is subject to a fine of up to \$500 or imprisonment in the county jail for up to one year, or both, and can also be prosecuted for perjury.

Some people's finances are in such a mess you'd think they were getting advice from the government.

It says here... The State Bank of Antioch offers Free checking account service to all senior citizens... Boy! I'm going to open an account today!

Philosophy And Objectives

(Second in a Series)
One of the most formidable tasks facing the College of Lake County Board after its election last year was the formulation of a statement of philosophy and objectives for the newly founded College. Setting down these resolutions was a culmination of effort on the part of all its members, citizens, and the College administrative staff.

Board Chairman, F. James Lumber, explains the statement of philosophy is, in fact, a reiteration of what the College is all about: why it was formed and what its purpose in the community will be.

"It is the belief of the Board that the success and progress of our nation are dependent on the educational opportunity of its citizens. The many changes which have taken place in our society during recent decades have generated increased interest, support and involvement in education beyond high school," noted Lumber.

In keeping with the varied developments on the American educational scene, the community college has emerged as a unique institution of higher education committed to providing the opportunity for individuals to better prepare themselves for the future. The College of Lake County will make it possible for those who take advantage of its programs to build toward a productive life and find for themselves a more meaningful role in the mainstream of American society.

"For many, a community college is the only avenue to a higher education," Lumber points out. "With this in mind, the College has dedicated itself to establishing the type of institution which will meet the many needs of the students within our district."

The student body will represent a variety of educational, social and economic backgrounds to be found within the district. Each student will come to CLC with his own set of aspirations and ambitions. It is the purpose of the College to assist them in defining their individual goals and attain the maximum educational success.

Lumber stressed the fact that the College is vitally concerned with the educational and cultural life of Lake County and its citizens. And with this in mind, CLC will strive to exert leadership in cultural, civic and intellectual affairs of the district.

Consistent with this concern for the College's role in the community, CLC is looking toward fulfillment of several objectives:

—Helping students find greater self-understanding and develop realistic goals by providing a

comprehensive and advisement program.

—Contributing to the liberal education of every student enrolled at CLC by providing a core of general education courses and experiences.

—Preparing individuals for employment in a variety of fields in business and industry through occupational, semi-technical or technical training.

—Preparing a student for transfer to a college or university offering a baccalaureate degree by providing liberal arts and sciences and general courses.

—Qualifying individuals for admission to either the career or baccalaureate-oriented programs of CLC by first providing programs aimed at developing the potential in the student and better preparing him for college work.

—Enriching the social, cultural and occupational, as well as personal, development of the communities and their citizens by providing both formal and informal educational experiences.

"This is the basis on which the College of Lake County has been formed, and the challenges to which its staff is dedicated. Our role as elected overseers has been to more clearly define these goals. Now it is up to the professional staff to implement them," concluded Lumber. "To these ends, we are all committed."

(Next Week: The College of Lake County: Who may attend.)

Mrs. Richard Hughes, of Antioch, at early morning safety inspection.

Kennedy, Newland Head Bond Drive

Richard F. Kennedy, assistant to the publisher of the Waukegan News-Sun and Richard D. Newland, president, Bank of Waukegan, were appointed co-chairmen of the Lake County U.S. Savings Bond Committee.

Clarence S. Sochowski, state director of the Department of the Treasury made the appointments on behalf of the Secretary of the Treasury.

Both men have been active in civic affairs. Kennedy's present and past activities include: vice chairman of the Waukegan Port District and a director of the Y.M.C.A. board of directors and a member of the advisory board of the Y. W. C. A.; in charge of fund raising in Lake County for Baral College and a trustee since 1953, member of the advisory board of Carmel High School of Mundelein and Waukegan High School; local chairman of the current fund raising project of the Chicago Archdiocese and first vice president of the Fort Sheridan Chapter Association of the United States Army.

He is a director of the Citizens National Bank of Waukegan and has been a director in the Home Savings and Loan Association and the Coral Chemical Company. Kennedy is also a director of the Keystone Printing Service, past president of the Illinois Daily Press Association and the American Newspaper Publishers Association.

Newland has been with the Bank of Waukegan since 1962, and prior to that was vice president, Peoples Bank and Trust Company of Cedar Rapids, Iowa.

He is presently director, past president and now Treasurer of the Y.M.C.A. and a director of the Salvation Army, United Fund of Lake County, Coral Chemical Company, Waukegan-North Chicago Transit Company and the Bank of Waukegan. He is a past director of the Waukegan-North Chicago Chamber of Commerce and a past member of the Board of Education Waukegan School District No. 61.

As co-chairmen of the Lake county savings bonds committee

they will head a group of volunteers in the promotion of the sale of E and H savings bonds and Freedom Shares through the payroll savings plan in industrial and business firms and by direct purchase from financial institutions with support from newspapers and radio stations, unions and national organizations.

Lake county is second only to Cook in dollar sales of United States savings bonds and the co-chairmen have accepted a quota of \$11,180,950 for the current year.

TOPS Group Will Hold Leaders Meet

A special Leaders meeting will be held on Mar. 8th, at 1:30 p.m. in the Waukegan Public Library Auditorium for the past and newly elected leaders of the 30 TOPS, Men's and Women's TOPS (Take off pounds sensibly) clubs of Lake County, to be introduced to their new TOPS area supervisor, Mrs. Henry (La Verne) Cook, by the TOPS area captain for Lake County, Mrs. Wallace Antonsen.

Mrs. Cook, who resides in Rockford, is the TOPS area supervisor for the entire North Central section of Illinois for approximately 228 TOPS clubs. Among the many topics of discussion with Mrs. Cook will be, the TOPS ARD (Area Recognition Day) to be held at the Wagon Wheel in Rockton on April 26th, the local Lake County TOPS Rally to be held at the J-M Club in Waukegan on Oct. 4th, and the two newly elected leaders meetings, to be held in the Highland Park YWCA on April 10th and in the Waukegan public library auditorium on April 19th, in order to instruct and help guide the new leaders properly for their one year term of office for 1969-70.

The TOPS ARD and local rally are "Special Days" for the TOPS losers of North Central Illinois and Lake County to give honor and recognition to them, by all the attending TOPS members, for the weight they have lost sensibly.

TOPS is an international non-profit organization dedicated to the proper re-education of overweight men, women, teens and pre-teens to learn to eat sensibly to lose their excess weight, and to become KOPS (keep off pounds sensibly), which is the "Honor Society" of TOPS.

"Anyone in the Lake County area who is interested in joining TOPS or starting a new TOPS Club, can contact the TOPS Area Captain, Mrs. Wallace Antonsen, 2109 Pacific Ave., Waukegan, for the information.

Lake Villa Man ...

(Continued from page one)
med into the tree.

Hazel was pinned in the auto and had to be removed by the Gurnee Rescue Squad and fire department.

In another accident last week Phillip P. Gentile, 25, of RFD 3, Carolyn Lane, Lake Villa, was slightly hurt when his car struck two trees on Rollins Road in Grant Township.

Another Lake Villa man, Charles Hardan, 78, of Rte. 83, and Grass Lake Road, was injured in a two car crash on Engle Dr., a mile east of Rte. 83.

Old gardeners never die—they just spade away.

Des Plaines Watershed Meeting Set

The people who attended the DesPlaines River Watershed meeting at the Bristol Town Hall, asked that another meeting will be held in the near future. Consequently the Kenosha Soil and Water Conservation District Supervisors have arranged for a meeting at the Bristol State Graded School at 7:30 p.m. on Monday, March 17.

At a meeting held at the Bristol Town Hall, on Feb. 17, the residents who represented various areas within the watershed, both in Kenosha and Racine Counties heard the procedure that would be involved if they chose to make an application for Public Law 566 assistance. Public Law 566 provides for planning assistance for watershed flood prevention and agricultural water management.

The meeting was opened by Earl Hollister, Kenosha County Board Chairman, who is a member of the County Soil and Water Conservation District Supervisors Committee. The District Supervisors had asked the Wisconsin Soil Conservation Board to make a feasibility study to help correct problems of the Des Plaines River.

Don W. Niendorf, Conservation education specialist, Manitowish, explained the details of the procedure that must be followed if the people living within the watershed wish to pursue the application for a federal watershed project. Niendorf made it very clear that the application would be dependent upon the wishes of the local people.

The 14 page Des Plaines River Watershed Feasibility Study report was explained by G. L. "Cap" Barber, Watershed Engineer of the Wisconsin Soil Conservation Board. Barber served as chairman of the study team that prepared the report.

Barber reported that the state soil conservation board has agreed to consider an application for planning assistance, if the local people want to proceed on it, and if the Kenosha and Racine Soil and Water Conservation Districts sponsor the application.

Barber indicated that several years might elapse before the federal approval might be obtained and before actual improvements could be undertaken.

Paul Jaeger, Kenosha Agribusiness Agent, briefly reviewed the flooding problem affecting the Des Plaines River and the long history of concern for improved agricultural drainage. The U.S. Army Corps of Engineers made a study of and recommended possible improvements more than 20 years ago and published a Flood Plain Information Report in 1966.

All persons, living within the Wisconsin portion of the Des Plaines River watershed are invited to attend the March 17 meeting.

Object To Zoning ...

(Continued from page one)
would have space for about a dozen.

Main objectors were the residents who, 40 strong, signed a petition objecting to the zoning and it was presented to the board by Frank ReCupido who acted as spokesman.

It was pointed out that Steiskal has property on the other side of the channel already zoned and that he should build his marina there.

Steiskal and his attorney, Frank Rhode, countered by saying the property was not conducive to a septic sewer facility.

The zoning board took the matter under advisement and presumably will present its recommendation to the Lake County Board of Supervisors at a meeting next Tuesday.

Vision Week ...

(Continued from page one)
number of drivers fail to realize that their vision is inadequate and therefore their decisions could be disastrous.

"To be certain your decisions are based on clear vision a regular professional examination to detect vision problems should be made once a year. Most vision problems could be corrected so that your driving will not be a safety hazard to you and others."

In conclusion, Dr. Bucar said, "The motto of this year's 'Save Your Vision Week' is 'Life Is Worth Seeing.'"

Sheriff's Dance Set For April 12

The Kenosha County Deputy Sheriff's Association will hold its annual ball on Saturday, April 12 in the Eagles Ballroom, Kenosha, Wis.

Festivities will get under way at 9 p.m. with music by Joe Petrlini and his orchestra.

Set Goals For Cancer Campaign

Glenn Reinier, Crusade chairman of the Lake County Unit of the American Cancer Society, announced today the appointment of John D. Foster, vice president and personnel director, Montgomery Ward & Company, as chairman of the 1969 Crusade of the American Cancer Society, Illinois Division.

As chairman, Foster will lead 125,000 Cancer volunteers in their statewide mission to reach as many residents as possible with a life-saving message, while seeking a financial goal of \$2,565,000 for research, education and service.

Reinier announced also the appointment of Robert G. Biesel, Kenilworth, vice president, General Transportation Corporation and president, General American International as chairman of District VII for the 1969 Crusade. The Seventh District share of the Goal for Illinois of \$2,565,000 is \$1,550,000. The Seventh District includes: Chicago, North Shore, Central Suburban, Northwest Suburban, South Suburban, Grundy, Will, Kankakee, DuPage and Lake Counties.

Lake County has a share in the Seventh District Goal of \$90,000. Since there were more than 2,500 needless cancer deaths in the Seventh District last year and over 400 in Lake County, the educational mission of the Crusade is equally important as collecting money. At the present time the Trades and Industries are making calls on over 60 Industries in Lake County under the leadership of Mr. Robert Storey.

During the week of March 3rd the Independent Businesses will be contacted throughout Lake County. James P. Hopkins is the Chairman of this group. The Branch Chairman is Phineas Kyalla for Branch IV. The Community Chairman for Antioch is Robert Berg. Under the leadership of Berg the following have been appointed as Area Chairmen: Crusaders Ray H. Jensen, John B. Fields, and Clarence Olsen.

Hopkins said that the share of the Lake County Goal of \$90,000 for the Independent Businesses is \$6,925.00. In Branch IV the goal is \$525 and in Antioch the share of the goal is \$100.

Hopkins further said that he expects to double the Independent Business goal. All Independent Businesses may be expected to be called on the week of March 3rd and receive the life-saving pamphlets and will be asked to be generous in their contributions for the American Cancer Society.

Cancer Of Lung To Be Discussed

The American Cancer Society and Lake County Medical Society will co-sponsor a program on "Cancer of the Lung" at a dinner meeting to be held at the Swedish Glee Club, Waukegan, on Tuesday, March 11, 1969.

Featured speaker of the evening will be John L. Keeley, M.D., Professor and Chairman of the Department of Surgery, Loyola University, Stritch School of Medicine and Loyola University Hospital.

He is also senior attending surgeon at Mercy Hospital and attending surgeon at Hines Hospital; specialty is thoracic and cardiovascular surgery. Dr. Keeley is listed in "Who's Who" and the "Medical Specialist Directory."

Immunization Clinic For Salem School

The Spring immunization clinic for Salem Consolidated School, Salem, Wis., will be held on March 14, April 18 and May 16. Children will be immunized against Diphtheria, Tetanus, Pertussis, Poliomyelitis, Measles and Smallpox.

VA Benefits Generally Tax Exempt

The Veterans Administration reminded veterans today that VA benefits are generally tax exempt and need not be reported as income on federal or state income tax returns.

Except for interest earned on G. I. insurance dividends left on deposit with VA (which is a reportable item), all proceeds from G.I. insurance policies are tax exempt.

Other major items of income that need not be reported include educational assistance allowances, pension and compensation payments, subsistence payments to vocational rehabilitation trainees and grants for special automobiles and "wheelchair homes" for the severely disabled.

Also tax exempt are all benefits to surviving dependents of deceased veterans and compensation allowances for dependents of disabled veterans.

Tax Booklet Now On Sale

"Your Federal Income Tax," a 160-page booklet on Federal taxes, written in layman's language, is now available at most Internal Revenue Service offices throughout Illinois, according to E. C. Coyle, Jr., Chicago's District Director of Internal Revenue.

The booklet, also known as Publication 17, covers in detail the Federal income tax laws as they apply to individuals. It contains many examples to illustrate how the laws apply to actual situations.

Coyle said the material is especially helpful to taxpayers who have unusual tax situations, or those faced with a new tax problem.

Examples of taxable and non-taxable income and of allowable and non-allowable deductions are included. A detailed index helps pinpoint answers to tax problems.

A special feature in the booklet is the sample, filled-in tax return, Form 1040, keyed to pages in the booklet where explanations can be found for the entries on the return.

The booklet may be obtained from the Chicago office, 17 North Dearborn Street, Chicago, Illinois 60602. If your request is by mail, send your request to Tax Forms, P. O. Box 1193, Chicago, Illinois 60690. The price of the tax guide is 60c.

THE MISSING ASSET

National unemployment figures, like a lot of other statistics, should be taken with several large grains of salt as nearly anyone who has tried to employ competent help can testify. A part of the problem is indifference and a lack of the will to work.

According to News Digest, a newspaper of Oregon business and industry, "In Los Angeles, an unemployed unskilled man rejected a job as machine operator trainee with the remark, 'How do you expect a man to work for \$1.70 an hour?' ... In Detroit, where even unskilled workers can earn about \$3.00 an hour, unemployment stands at 6 per cent while employers are unable to find badly needed low-skill workers. At a restaurant, a man turned down \$75 a week because he could get \$56 of tax free relief money just by staying home, and moreover, could save the cost of getting to and from the job."

The Achilles' heel of a welfare state is that it leads to a breed of people that dissipate a nation's most valuable asset—the will to work.

Housing Committee ...

(Continued from page one)
port back at the next meeting on March 21, with a statement of goals. They are: William Zeigler, chairman, president of Wm. Zeigler & Son, Inc., of Round Lake; Karl D. Bays, group vice president; American Hospital Supply Corp.; Allan Pickus, architect and vice-president of Pickus Construction Co., Waukegan; Robert MacGruder, director of the Waukegan-North Chicago Chamber of Commerce.

The Lake County Housing Study Committee was formed after a resolution was unanimously approved by the County Board of Supervisors February 11. Purpose of the committee is to survey the housing needs then make recommendations to the Board as to how the problem can be alleviated.

Board Chairman Robert W. Depke welcomed the guests to Friday's meeting. He told the group, "We are concerned with all types of housing, not just low income housing." Depke thanked the volunteers for accepting membership on the committee and assured them the County Board would back their recommendations.

Norman Drummond, director of the Regional Planning Commission and secretary to the Housing Study Committee, outlined some of the critical areas of concern. He specifically mentioned a more detailed local survey on what types of housing are needed; a review of the housing codes and ordinances; possible revisions in the zoning ordinance and subdivision regulations.

Several committee members pointed out individual issues which also must be resolved as they relate to the overall housing shortage. Mentioned were the lack of sufficient sewer and water facilities to attract developers, cooperation between construction firms and labor unions, a need for high density developments, and changes in building requirements to permit erection of moderately priced dwelling units.

It is anticipated that several subcommittees will be appointed at the next session to research specific areas as they relate to the housing shortage.

Those present for the first session Friday included: Vernon Barkstall, Lake County Urban League; Karl D. Bays, American Hospital Supply; Bart DeStasio, Ft. Sheridan Family Housing; John H. Hughes, Commonwealth Edison Co.; Arthur Louko, Lake County AFL-CIO Central Trades Council; Robert MacGruder, Waukegan-North Chicago Chamber; John S. Matijevich, State Representative 31st Dist.; Mrs. Cordelia Mayberry, Lake County Community Action Project; Thomas Murphy, Burphy Bros. Mobile; Pickus Const. Co.; Rear Admiral H. A. Renken, Commandant Ninth Naval District; William D. Shaw, Mayor of Green Oaks; Preston J. Neckers, State Bank of Antioch; Willard Shields, contractor; Lester Simon, Libertyville realtor; William Ziegler, contractor.

Small boy's definition of conscience: "Something that makes you tell your mother before your sister does."

Unclaimed Animals Being Destroyed

Lake County's chief animal warden, Line Garwood, says a lot of pets are going unclaimed and unfortunately many end up being destroyed.

Animals carrying a rabies or dog tax tag are saved because the animal wardens check the number and contact the owners. Strays with no tags are kept only three days.

Garwood urges those who have a lost pet to contact their local police if they live inside the limits of a municipality, or his office if they reside in the unincorporated areas of the county. The animal warden's number is 526-5336.

An electronic device answers the phone when the warden is out, so if you get a recording wait for the tone then leave your name, address and phone number and he will contact you. On Saturdays, Sundays or holidays call 623-1855.

The Lake County dog ordinance requires that all pets be vaccinated for rabies once each year; purchase a dog tag; and never allow the animal to run at large in the unincorporated areas.

Girl Scout Cookie Sale In High Gear

The Girl Scouts of the Lakeview Council may not be antique car buffs, but they do know that it takes an extra push to get their cookie drive into high gear. No time now for checking the rear view to see whether the weather is closing in behind, they only know that there are beautiful "convertibles" on the road ahead and they are determined to make the grade by March 7th. This date is the last solicitation day for Girl Scout cookie orders for the Junior, Cadet and Senior Scouts.

This is the main money making project for the year. Their goal is to take orders for a minimum of 100,000 boxes in two weeks.

Miss Rita Parham and Miss Cheryl Sparks of Troop 192, Round Lake and Misses Susan Rathmann and Laurie Fisher of Troop 194, Antioch are eager to get those orders rolling in, so that they may choose their favorite "convertible."

Perhaps the girls won't choose ten feet of camp road which results from converting 80 boxes of cookies into money, but they might consider converting 833 boxes of cookies into a canoe, or 2,800 boxes into a tent and platform, 1,666 boxes into one patrol box and equipment or they might

have their sights set on a sail boat.

This is obtainable when 1,800 boxes of Girl Scout cookies are marked sold.

This year, the Lakeview Council has made arrangements with the Southern Biscuit Company of Virginia to offer their famous five varieties of Girl Scout Cookies which are: the chocolate mint pattie, the new crunchy koko cookies, the vanilla-chocolate sandwich cookies, the peanut butter sandwich and the old familiar tea biscuit, a butter flavored shortie much like the ones a few Girl Scouts baked in their own kitchens years ago, when this money-making idea was as fresh as the cookies are today when they are delivered into the Council area for distribution by the Girl Scouts.

The cookies are wrapped in gay pastel colors this year and the boxes are ready to be tucked into any Easter basket or the favorite corner of the family freezer.

If you should not be at home when the Girl Scouts go door to door in your neighborhood and you would like to order cookies, please call 395-3975.

Girl Scouts began taking orders Friday, Feb. 21, and will continue through Friday, Mar. 7.

American Legion Auxiliary News

By Del Jahneke

During the month of March, the 10th District American Legion in Lake County and throughout the nation, will climax its 50th Golden Anniversary observance. It was on March 15-17 1919, that the Legion was founded in Paris, France, during a meeting of representatives of the various outfits which made up the World War I American Expeditionary Forces.

"A citizen-veteran organization conceived in duty to its fellowmen, the American Legion has been a responsible contributor to American thoughts and deeds through the years of our nation's emergence as a world power. American Legion history of the past 50 years has been filled with achievements in behalf of mankind through active campaigns to preserve the lofty concepts of justice, freedom and democracy," states Oliver Cromwell, Winthrop Harbor, 10th District and 2nd Division 50th anniversary chairman.

Two years after the founding of the American Legion, the American Legion Auxiliary was formed in February 1921. The Auxiliary endeavors always to aid the Legion in all its many fine programs.

Just now, concentration is being placed on the all-important date of March 15th, when the American Legion's "Gift to the Nation" will be presented. On that date, the President of the United States, Richard Nixon, has been asked to press a button which will light the Tomb of the Unknowns at Arlington Cemetery, Washington, D.C., with the "Eternal Light of Freedom." At that time, in a special ceremony, State Commander Albert Swiderski will present the check from Illinois members of the American Legion and the Auxiliary towards this project.

Also, on March 15th, in honor of the American Legion's 50th Anniversary, a commemorative 6 cent postage stamp will be issued at Washington, D.C. The "first date of issue" ceremony dedicating this stamp, will take place in the Sheraton Park Hotel in conjunction with the annual national commanders' conference. This stamp will go on sale at other post offices throughout the nation on March 17th.

With nearly three million legions, and almost one million auxiliary members, drawn from the ranks of four wars—World Wars I and II, the Korean Conflict, and Vietnam—the American Legion and the Auxiliary is dedicated to "Forging the Future" of a strong, vigorous, compassionate America of the next half century.

On behalf of the 10th District American Legion Auxiliary, and the Second Division Auxiliary, Mrs. Richard Brady, Gurnee, District Director, and Mrs. William Franzen, Libertyville, 2nd Division President, extend their congratulations and pledge continuous cooperation to all the Legion

naires of the 10th District and the 2nd Division. Lake County's 10th District Commander is Dan Kallasa, Mundelein, and the 2nd Division Commander is John Mould, Waukegan.

Speaking for the Antioch American Legion Auxiliary No. 748, Mrs. Bernard Stadick, President, wishes success and good fortune to Commander Al Fronck and the Antioch American Legion.

The Antioch Auxiliary will hold its regular meeting on March 14th at 8:00 p.m., at the Antioch Legion Home.

Chamber Group To Give Concert

Musical novelties—running the gamut from marital warfare to frogs—will be performed by the Chicago Chamber Orchestra in a lively concert Sunday, March 9, at the Museum of Science and Industry.

The concert, which begins at 3:30 p.m., is free to the public. "This program should be a treat for the entire family," said Dieter Kober, the ensemble's conductor. "The story of the 'Transformation of the Lycian Peasants into Frogs' will especially delight the younger concert-goers."

The story, based on Ovid's "Metamorphosis," is interpreted in the "Symphony in A Major," by Karl Ditters von Dittersdorf.

Also on the program is the overture to Franz Schubert's "Der Hausliche Krieg (Domestic Warfare)," a comic opera composed in 1823 but not performed until 1861. The incomplete manuscript of the overture, however, was not even discovered until 11 years ago. The finishing of the unfinished work was accomplished by musicologist Fritz Ruck, and it was further edited for the chamber orchestra by Kober.

Musical contrasts take the form of games and surprises in works which distinguish another composer to be featured, Vagn Holmboe. This Danish composer's "Concerto No. 11 for Trumpet and Chamber Orchestra" will be heard in Chicago for the first time. Soloist is Robert Rushford, of 1432 S. Linden, Park Ridge.

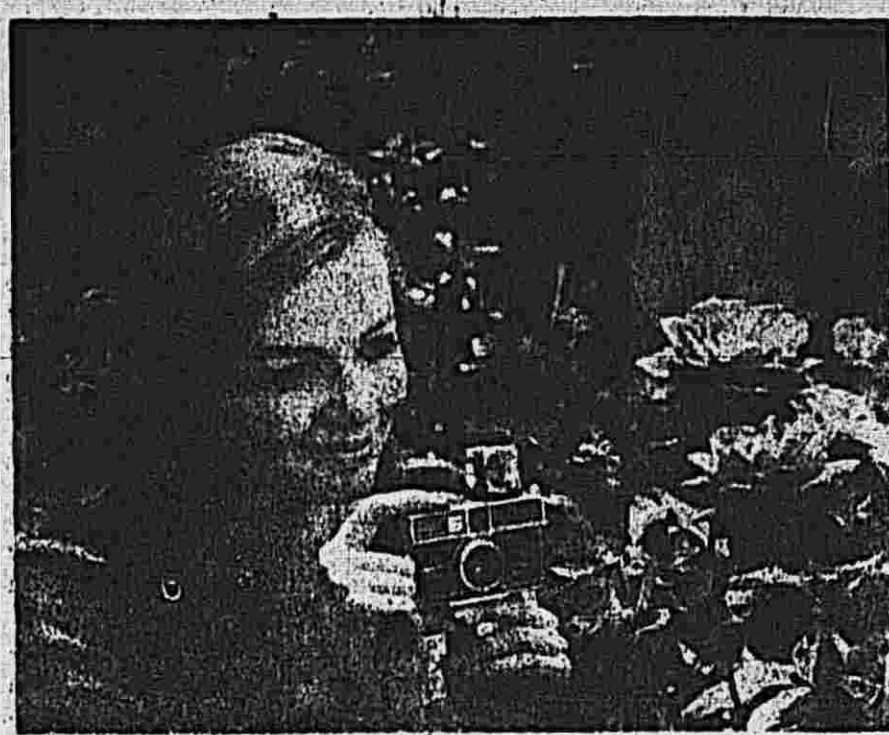

Rounding out the program is Pietro Nardin's "Adagio for Strings and Keyboard," featuring Kober at the orchestra's new harpsichord.

This is the third in the 1969 winter series of four concerts at the Museum. The final program will be presented April 20.

Liddle Pledges To Sigma Phi

John K. Liddle, son of Mr. and Mrs. Kenneth Liddle, of 318 Rte. 173, Antioch, has been pledged to the national fraternity Delta Sigma Phi, at Eureka College, Eureka.

"The proper place to start curbing is not in the electric chair, but in the high chair!"—Sequin, Wash., Press.

A beauty captures the beauty of flowers on film.

World Flower Show Set March 22-30

The Chicago World Flower and Garden Show, which opens Saturday, March 22, and runs through Sunday, March 30, at the International Amphitheatre, will provide visitors with a welcome opportunity to record on film the colorful spring-time splendor that will unfold before them.

With camera they will be able to capture the fresh, delicate beauty of flower and foliage and snap rare and exotic blooms that are difficult or impossible to grow at home. Through photography they can take with them for future use ideas for floral arrangements and landscaping too.

Flower Show visitors will find that with the up-to-date cameras

they will have no problems obtaining the satisfying photos they want. Especially popular are the instant-load type cameras which use a drop-in film cartridge and cube flash; either a simple fixed-focus model or one with a fast lens. Particularly rewarding will be pictures taken with a new super-8 movie camera providing instant-loading and electric drive.

For close-ups, which are the most exciting kind of flower pictures, the photographer should have a slip-on close-up lens. With it should be used a focal frame, an inexpensive accessory available in photography stores.

Several things should be kept in mind in photographing flowers or foliage. One of the points to remember is to check the background. Good or bad, it will be your picture—whether you saw it or not. Choose the best specimens and determine whether they would look best in a close-up of a single blossom or in a cluster. When in doubt, shoot both.

Lenora Leider

Engagement Announced

Mr. and Mrs. Don Leider, Rt. 1, Box 977, Antioch, have announced the engagement of their daughter, Lenora to Bruce Price, son of Mr. and Mrs. Arthur Price, Rt. 5, Box 225, Antioch.

Miss Leider is a 1967 graduate of Antioch High School and is employed by the Antioch office of the Illinois Bell Telephone Co. Price was in the Sea Bees for 3 1/2 years and spent 18 months in Vietnam. He is a 1965 graduate of Antioch High School.

An Oct. 11 wedding is tentatively planned.

County Progress Is On Radio Show

"This Week in Lake County," a new public service radio series produced by the County Information Office, took to the airwaves this past weekend. The five minute programs feature interviews with elected and appointed officials on current topics of interest.

First guest on the series was Lake County State's Attorney Jack Hoogasian who blamed the rising crime rate on permissive parents. Hoogasian said parents are responsible for today's delinquents.

Asked about an increase in one particular type of crime, the State's Attorney said the use of narcotics, particularly marijuana and the hallucinogenic drug LSD has been on the rise. He said the only way to combat crimes of all types is for every citizen to take an interest, and become involved, in law enforcement. This would include reporting of offenses and even testifying in a case should that become necessary.

"This Week in Lake County" can be heard on the following stations: WKRS, Waukegan 1220 kc at 5:40 p.m. Sundays; WEEF, Highland Park, 1430 kc, at 12:10 p.m. Saturdays; WZBN, Zion 1500 kc at 10:25 a.m. Saturdays.

WELL DONE

Small boy waiting impatiently in the beauty shop: "How much longer will you be under the brooder, Mom?"

Where The Boys Are

Marine Private First Class Greg T. Mitchell, son of Mrs. Francis H. Mitchell, of 1432 Ravine Crest Drive, Lake Villa, Ill., was graduated from the Aviation Electricians School at the Naval Technical Training Center, Jacksonville, Fla.

He is studying the fundamentals of electricity, electronics, aircraft electrical and instrument systems, troubleshooting, and repair of aircraft electrical parts.

Army Specialist Four Robert O'Neill, 18, son of Mrs. Catherine O'Neill, Antioch, Ill., received the Air Medal in Vietnam, Jan. 21.

Spec. O'Neill earned the award for combat aerial support of ground operations in Vietnam.

The specialist is a supply specialist with the 1st Cavalry Division (Airmobile).

Sergeant Gerard N. Haley, son of Mr. and Mrs. Thomas F. Haley, Jr., of Trevor Road, Antioch, is a member of a unit that has earned the U.S. Airforce Outstanding Unit Award.

Sergeant Haley, an aircraft mechanic in the 56th Weather Reconnaissance Squadron at Yokota AB, Japan, will wear the distinctive service ribbon to mark his affiliation with the unit.

His unit was cited for exceptionally meritorious service and outstanding professionalism from July 1967 to June 1968.

The sergeant is a graduate of Carmel High School, Mundelein.

Homemaker Award To Gail Johnson

Gail Johnson, daughter of Mr. and Mrs. Dike Johnson of Box 87, Bristol, has been named the 1969 Betty Crocker Homemaker of Tomorrow for Central High School at Salem on the basis of her score in a written knowledge and attitude test on homemaking given senior girls on Dec. 3.

This test has made her eligible for state and national scholarships. She has also been awarded a specially designed silver charm from General Mills, sponsor of the Betty Crocker Search for the American Homemaker of Tomorrow.

A State Homemaker of Tomorrow and runner-up will be selected from the winners of the schools of the state. The state winner will receive a \$1500 college scholarship, and her school will be awarded a complete set of Encyclopedia Britannica. The runner-up will earn a \$500 educational grant.

There were 630,564 girls from 15,115 schools registering for the 1969 Betty Crocker Search. This has established a new record for the program.

A CHALLENGE

"Do you want to challenge any of the jury?" the judge asked.

After looking over the panel carefully the defendant replied: "I think I could handle the little fellow on this end."

Set Nurses Conference For March 10

A conference for nurses co-sponsored by the 16th District Illinois Nurses' Association and the American Cancer Society, Lake County Unit, will be held on Monday, March 10, at 5:30 p.m. in the Highland Park Country Club, 1201 Park Avenue West, Highland Park.

Dinner will precede the conference, with the invocation given by Rev. Walter Lunsford, pastor of Bethany Methodist E.U.B. Church of Highland Park.

Welcomes will be extended by Sister Joseph, S.S.P.S., President, 16th Dist. Illinois Nurses' Association, and John J. Zannini, M.D., President of Lake County Unit of the American Cancer Society.

Samuel G. Taylor, III, M.D., Professor of Medicine, University of Illinois College of Medicine, will be guest speaker. His topic will be "The Light That Failed," following the Nurses' Association's national policy towards discontinuation of smoking.

Dr. Taylor has served in various capacities in Illinois Division of the American Cancer Society. Currently, he is a member of the Executive Board of Directors, the Research, Service and Crusade Committees and has served on the National Board of Directors from 1961 to 1963.

Dr. Taylor is chairman of the Interagency Council on Smoking and Health in Illinois and director, Section of Medical Oncology, Presbyterian-St. Luke's Hospital in Chicago.

American Cancer Society volunteers will man exhibits, display literature and dressings, and show films during the conference. Program Chairman for the Conference is Mrs. Dorothy Concidine.

Coop Travel Club Planning Tours

At the regular monthly meeting of the Co-Op Travel Club last Tuesday plans were presented for four different trips during the next few weeks.

Saturday, March 29th, they will spend the evening at Shanghai Lil's in Chicago enjoying a Polynesian Dinner and Floor Show. The cost is \$14.50 per person. For full details and reservations call Edith Suttie at TR-2-2584 (after 6:00 p.m.).

Saturday, April 5th, a Theatre-Dinner Party will be enjoyed at Drury Lane in Chicago. Bob Crane of Hogan's Heroes will star in "Send Me No Flowers." The cost is \$8.50 per person. For reservations call Margaret Herberger at ON-2-0072 (after 6:00 p.m.).

Saturday, May 17th, a jaunt to Tulip Time Festival in Holland, Mich., will take place. Departing at 6:00 a.m., the group will see the Street Scrambling, enjoy the Klompen Dancers, visit Windmill Island and the Dutch Village and have both lunch and dinner at a total cost of \$17.00 per person. For reservations call Margaret Shelton at TR-2-2934 (after 6:00 p.m.).

The Travel Club's big trip for 1969 will depart O'Hare Airport on July 12th, for a 17-day tour of Switzerland, Austria and Italy. Flying Swissair, they will visit Lucerne, Switzerland, Vienna, Austria, and Rome, Florence and Milan in Italy. Included in the \$810.00 rate are hotel rooms with private bath, air fare, all meals and many sight-seeing excursions. For full details and reservations call Audra Ikan at ON-2-4473.

Kathy Toman Recent Pledge

Kathy Toman, daughter of Mr. and Mrs. Frank Toman, of Feltner's Subdivision, Antioch, has recently been pledged as a charter member in Gamma Omega Colony of Alpha Sigma Social Sorority.

She is presently serving as secretary of the Colony.

She is a 1966 graduate of Antioch High School and a junior at Eastern Illinois University at Charleston.

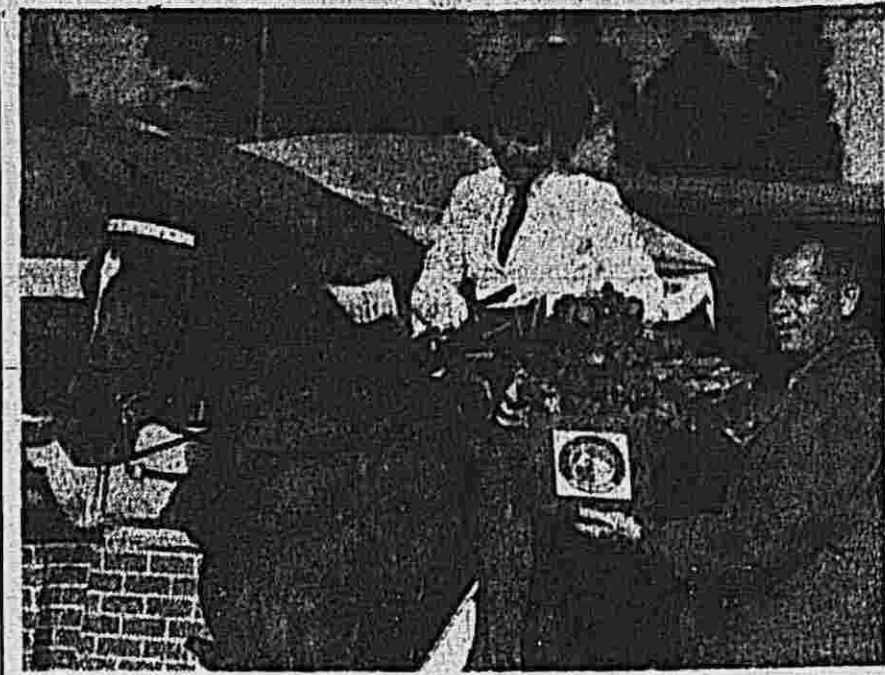

Three Receive College Degree

Three area students have completed academic requirements for bachelor's degrees from Illinois State University at Normal, with the close of the first semester.

Official awarding of the degrees will come at the annual commencement ceremony in June.

Receiving the degrees are Arthur Hawkins, 619 N. Main St., Antioch, Roar Schadd, 2008 N. Arcade Drive, Lake Villa, and Barbara M. Watson, 404 Valley View Drive, Wildwood.

"Our neighbors abroad know what we pay in taxes... they're spending it."

Joanne Crockett on Rafsi, receives the "Legion of Merit" award, the highest prize given to an Arabian show horse, from the president of the Santa Barbara Show Association.

Paddocks Back From Western Trip

By Del Jahneke

Mr. and Mrs. Charles Paddock, Grass Lake, have recently returned from visiting their daughter, Joanne (Mrs. Bruce Crechett) in Solvang, California.

They brought "good news" of Joanne's continued successes with her Arabian show horse, Rafsi.

Joanne had already achieved many honors in this locality in the "showing of Rafsi." Now she has added new laurels to her huge collection of trophies, awards and blue ribbons at various shows—Santa Rosa in northern California; the Cow Palace, San Francisco; Monterey and Santa Barbara.

At the Santa Barbara show, Rafsi was presented the Legion of Merit award—the much coveted and highest prize given an Arabian show horse.

In Monterey, Joanne and Rafsi won four first place awards and won the championships in Arabian Costume Class.

Mrs. Crechett was invited to show her horse and costume in the Tournament of Roses Parade in Pasadena, New Year's Day. This was another thrilling and exciting occasion for her.

Since showing Rafsi is still just a wonderful and rewarding pastime for Joanne Crechett, she is also busily engaged in teaching school at Buellton, Calif. As many doubtless know, the former Miss Paddock had been a teacher at Oakland Grade School for five years.

The Charles Paddocks have come back to Antioch, from their two months' stay in California, with only the most pleasant memories of their visit.

The Carmel High School Mothers Club will present its Spring Fashion Show at the high school in Mundelein on March 22. Making plans are Mrs. Ernest Washburn, chairman, left, Mrs. Eugene Zannini, Antioch, and Mrs. William Pucin.

Carmel High Fashion Show Is Set

In the Spring, a young man's fancy might turn lightly to thoughts of love, but more often than not, and regardless of age, it is toward a new Spring outfit that a woman's yearning incline.

New Women's Club To Organize

New charter members of the Salem, Bristol, Paddock Lake area Business and Professional Women's Club will have a meeting on Monday, March 10, at Central High School Home Ec. room beginning at 7:30 p.m.

At this meeting, members will form a constitution for their club, time of meeting each month, and many other items dealing with the formation of a club.

The club will accept new charter members up until a date to be established by them next Monday. Anyone wishing information about the meeting may contact Mrs. Ruth Ketterhagen, phone 843-2971 or Delcie Keller, phone 857-2740.

Members from other area clubs will be in attendance to help the new club with its organization.

Two From Area On Dean's List

Two Antioch area residents have been named to the Dean's List for the first semester at MacMurray College.

The students are cited for high academic achievement and have completed at least 14 hours of academic work and received an average of 3.50 or above.

Named were James Sorensen, son of Mr. and Mrs. Leslie W. Sorensen, of 272 Chestnut St., Antioch, and Lawrence Mateja, son of Mr. and Mrs. John Mateja of 1901 E. Longmeadow Drive, Lindenhurst.

Wesley Circle Fashion Show Being Readied

Spring is coming and one of the sure signs is the planning of the Ninth Annual Feast and Fashion-Dessert Buffet and Fashion Show which will be given on Thursday evening, March 20, at 7:30 p.m. at the United Methodist Church of Antioch.

The Wesley Evening Circle sponsors this yearly event, and this spring the styles are from Montgomery Ward's in Waukegan. Fashions for the entire family will be featured—mother, father, teen, and child.

Delicious deluxe desserts will be served, and background music will be played by Antioch's "Lee" Gem on an organ from the McElroy Organ and Piano Studios in Waukegan.

General chairmen of the event are Mrs. John Romer, Mrs. Joseph Rush, and Mrs. Harold Knutson. Mrs. Robert Jensen and Mrs. Robert Bemis are chairmen of the style show. Ticket reservations can be made by calling Mrs. Ken Smouse, 385-1333, or the church office, 395-1259. Tickets are being sold by all Evening Circle members.

Royal Neighbors Will Meet Mar. 11

The Royal Neighbors, Olson Camp No. 459 met at the American Legion Hall on Ida Avenue Feb. 25.

The Pledge of Allegiance was said and the opening song was sung.

A short meeting was held, after which cards and buncos were played.

The neighbors welcomed many members who had been absent due to illness.

The hostesses for the evening were Bea Miltz and Gladys Lokke. The next meeting of the Royal Neighbors will be March 11th at 8:00 p.m.

CHRISTIAN SCIENCE CHURCHES

"It is God that girdeth me with strength, and maketh my way perfect."

These words from Psalms will be read this Sunday as part of the Christian Science Bible Lesson-Sermon titled "Man."

The service at First Church of Christ, Scientist, BEACON HILL, Rte. 173 and Harden, Antioch, begins at 11 A.M. All are welcome.

Among related passages to be read from the denominational textbook is the following: "God expresses in man the infinite idea forever developing itself, broadening and rising higher and higher from a boundless basis. Mind manifests all that exists in the infinitude of Truth. We know no more of man as the true divine image and likeness, than we know of God" (Science and Health with Key to the Scriptures by Mary Baker Eddy).

Assisting Mrs. Ernest Washburn, Mundelein, Chairman of the luncheon and show, is Mrs. Eugene Zannini, Antioch, and Mrs. George Sedevic, also of Antioch. Information concerning reservations may be obtained from these women, or from the Mothers Club area captains. A social hour will precede the luncheon.

Reservations should be made before March 10. Proceeds from the benefit are divided equally between the Carmel High School for Boys and Carmel High School for Girls. More than 1400 boys and girls from Lake County, nearby Cook County towns as well as from the nearby Wisconsin area benefit from the educational equipment purchased through the efforts of the club.

Reservations should be made before March 10.

Proceeds from the benefit are divided equally between the Carmel High School for Boys and Carmel High School for Girls. More than 1400 boys and girls from Lake County, nearby Cook County towns as well as from the nearby Wisconsin area benefit from the educational equipment purchased through the efforts of the club.

Judgments needn't be made fearfully or haphazardly. Our ability to make right decisions grows as our understanding of God grows. As we yield to and express God's wisdom and love, He guides judgment into intelligent and compassionate paths. Listen March 9 to WAIT 820 kc. at 9:30 a.m. to "MAKING SOUND JUDGMENTS".

MOOSE TOPICS

By Lillian Birdsall

The Antioch Ritual team for the Loyal Order of Moose performed the enrollment ceremony for the new members at the Antioch Moose Home Saturday evening, March 1. Enrolled as new members were Frank Greenhill, sponsored by Robert Hadley; James Lebeda, sponsored by Henry Grewe; Fred Timan, sponsored by Lester Sperling; and David Francis Runyard, sponsored by C. Golonka. A smorgasbord was served to all attending members following the enrollment ceremony.

Henry Grewe will be joining the 25 Club division of the enrollment department of Moose for he has candidates. Another enrollment will be set for next month with a dance to follow.

The Traveling bowling league all met for dinner at the Antioch Moose Home Sunday afternoon and team number two had the honors of being host for the day. About 70 persons were in attendance and following the dinner a discussion was held concerning the rules and regulations of the game.

With the present term of the officers of the Antioch Moose getting closer to the end, Governor Scotty Birdsall announced the names of the member of the nominating committee at the meeting of Feb. 26, which was held at the Moose Home. The chairman, Warren Andre will meet with the board to select officers qualified for the new term and the slate of officers will be announced on the floor at the next regular meeting of the month. Election of new officers is set for the first meeting in April. Anyone wishing to submit their name for an office may do so by contacting chairman Warren Andre or any other member of the nominating committee.

The Friendship committee of the Women of the Moose will sponsor a Corn Beef and Cabbage dinner at the Antioch Moose Home, Saturday, March 8. Serving will be from 5 to 8 p.m. and dancing is scheduled to follow the dinner.

Harold Klempner, secretary-treasurer of the Antioch Moose Hunt Club has announced that the absentee balloting which was supposed to begin on March 3rd, has been cancelled at the last meeting and will be discussed at the next meeting which is scheduled for March 28. The season for the cancellation was that a slate of officers has not been selected as yet and it is hoped that the business can be concluded at the next meeting. More birds have been purchased for next year's shoot and it was told of more land that can be secured.

A Legion Ceremonial will be held at the Racine Moose Home on Sunday, March 9, starting at 2 p.m. A family style dinner will be served following the meeting. All Legionnaires and their ladies are invited to attend and all Legionnaires are asked to wear their regalia. A memorial service will also be held on this same day.

The Women of the Moose traveled to Fox Lake Sunday, March 2, to take part in the Mid Winter conference that was held at the VFW Home. There were 172 members registered and five chapters were represented. Hostess chapters, Fox Lake, Antioch, McHenry, Highland Park, Waukegan and Zion-Benton.

Alice Young of the Antioch chapter was one of the collegians who received her red stole from the total of four honored in the Investiture ceremony. Collegian Gert Good had the honor of investing Mrs. Young with her honors. Zion-Benton chapter performed the opening ceremony, Highland Park had balloting, Waukegan had enrollment, McHenry had the Endowment Fund and Antioch performed the closing.

Waukegan Chapter was selected to hold the Mid Winter Conference for next year. Following the conference a social hour was held for all attending members.

Eastern Star To Meet March 13

The next meeting of Antioch Chapter No. 428, Order of the Eastern Star will be held in conjunction with Millburn Chapter in the Millburn Masonic Temple on March 13th.

This will be the official visit of the officers of the Grand Chapter. A dinner at 6:00 p.m. at the Millburn Congregational church will precede the meeting. An officers meeting will be held on March 7th at the home of the Worthy Patron, Mr. Lawrence Gilo, and any interested members have also been invited to attend.

It's easy to place a classified—Just dial 395-4111.

Jesse "Albert" Murphy Succumbs

"Jesse "Albert" Murphy, 57 years old of Newport Township near Antioch, passed away at 7:30 p.m. on Tuesday, March 4, at his home on Hunt Club & Edwards Roads.

He was born June 15, 1911 in Decaturville, Tenn., and had moved to Antioch in 1955, then to Bristol, Wis., and to Newport Township 4 years ago. He had worked for Chevrolet Division of General Motors in Waukegan as a drag line operator for the past 10 years.

He is survived by his wife Edna (nee Kammer), one son, Jesse "Bud" Murphy, Collinsville, Ill., two daughters, Mrs. Mary Anderson, also of Collinsville, and Mrs. Shirley Powell, of East St. Louis, Ill.; three brothers, Dewey Murphy, of El Centro, Calif., Alfred Murphy, Granite City, Ill., and Clyde Murphy, Staunton, Ill.; one sister, Mrs. Cordie Vickory, Granite City, Ill., and 5 grandchildren.

Funeral services will be held at 1:30 p.m. on Saturday at the Strang Funeral Home in Antioch. The Rev. David Ponath of Faith Evangelical Lutheran Church will officiate. Interment will be in Hickory Union Cemetery near Antioch. Friends may call at the funeral home after 7:00 p.m. on Thursday.

PM&L To Present Its Young Talent

Palette, Masque and Lyre, Inc., Antioch's theatre group, is having a special program featuring young talent on Sunday evening, March 9 at 8:00 p.m. at the PM&L Theatre, 877 Main St.

The public is invited to attend this meeting free of charge. Don Beveroth and Ken Smouse are in charge of this program and will introduce Wendy Jensen who has just won the Talented Teens contest in this area, a jazz combo from the high school featuring Glen Erickson, Roger Bocox, Steve Smouse, Bill Dow, Mike Tumminello, and Roger Sorenson; and Anne Vaughn from Lake Villa Grade School and Cheryl Dalgaard from ACHS who sing together.

Refreshments will be served after the program.

Three Families In Florida Reunion

Three families, formerly of Antioch, had a reunion early this month in Babson Park, Fla.

They included Dr. and Mrs. L. A. Stark, Mr. and Mrs. L. R. Watson, all of St. Petersburg, Fla., who visited with the L. O. Bright family.

Stark, Watson and Bright were together for several years at Antioch High School where Bright served as principal for 18 years. Stark taught science and directed the school orchestra, and Watson was coach and taught industrial arts.

Stark left teaching to enter the chiropractic field and is now in practice in St. Petersburg. Watson and Bright are retired. The families get together two or three times a year to talk of old times.

Abbott Lab Reports Earnings

All-time record highs in earnings and sales were reported for Abbott Laboratories in North Chicago by George R. Cain, chairman of the board and chief executive officer.

Total earnings were \$31,595,000, or \$2.35 a share, compared with \$28,240,000, or \$2.10 a share, reported at the end of 1967.

The improvement in both total and per-share earnings was 12 per cent. Sales in 1968 rose to \$350,955,000, an increase of more than 14 per cent over the \$306,639,000 achieved in 1967.

All figures have been restated to reflect the acquisitions during 1968 of United Biologics Corp., the Borchardt Company and Reference Laboratories. Average shares outstanding were 13,455,000 in 1968, compared with 13,436,000 in 1967.

Sales of hospital products and diagnostics to hospitals improved about 22 per cent over 1967 levels, Mr. Cain said, and continue to set impressive records. Sales of pediatric products were up about 20 per cent, and sales of pharmaceuticals and other products sold overseas and in Canada increased nearly 12 per cent.

SIGN OF THE TIMES

A lady was shopping at a vegetable stand. "I want to get some beet leaves for my husband," she said to the clerk. "Do these have any poison spray on them?"

"No, I'm sorry, madam," replied the clerk. "You'll have to get that at the drug store."

Lindenhurst News

By Mrs. Bernice Bernau

BIRTHDAY DINNER

To celebrate my birthday and my mother's, Mrs. Ella Schrottland, on Feb. 28 our family had dinner at Obie's Restaurant in Waukegan last Sunday. With us were my husband, Ed, our son Edward and his fiancée, Miss Hope Arentz of Chicago and our son Bill, his wife Ann, and our granddaughter, Lauren Ann.

REGISTRATION

Registration for pupils in all grades starting Prince of Peace School in September will be held March 9-16. Registration will take place after all the masses on next Sunday, and during the week.

C.C.D. DISCUSSION CLUB

The High School C.C.D. High School Discussion Groups meet on Tuesday evenings at 7:30 p.m. at Prince of Peace Church.

MEN'S CLUB MEETING

All men in Lake Villa Township are invited to attend the Lindenhurst Men's Club monthly meeting March 6th, starting at 8:15 p.m. Joe Cassidy is president. The men's club is sponsoring a St. Patrick's Day dance on Saturday, March 15, at 8 p.m. on Saturday.

DANCE

Don't forget the dance Saturday night at the VFW Hall in Lake Villa. Proceeds will be used to help keep West Milwaukee Beach clean, and to pay for life guards during the summer. Plans for Red Cross directed swimming lessons for all ages have been made.

Public Aid Funds Near Depletion

Harold O. Swank, Director, Illinois Department of Public Aid, testified before Legislative Committees recently that he estimates that all public aid programs will run out of funds during the first week in April, and that a deficiency appropriation of \$110 million will be needed to carry such programs until July 1, 1969, the Taxpayers' Federation of Illinois reported in its weekly release.

Swank stated that in September 1968, the number of persons receiving public aid in all programs was 494,100, and that this number is expected to increase to an average of 542,300 in fiscal 1970 and to an average of 582,100 in fiscal 1971.

Director Swank listed chief causes of the rise in caseloads and costs as follows:

(1) The elimination of duration residency requirements in Illinois by a court decision which has been appealed to the U. S. Supreme Court (court expected to rule on appeal at its present term.)

(2) The increased awareness of the availability of public assistance (the war on poverty programs, community action programs, etc., which inform people of their eligibility).

(3) The increased rate of desertion on the part of the father has contributed heavily to the growing Aid to Dependent Children caseload.

(4) The difficulty of terminating assistance under present income exemption formulas included in the 1967 Social Security Amendments.

(5) The increases in minimum wages, rent, food and medical costs.

The Taxpayers' Federation of Illinois joins in the recommendations made by the Department of Public Aid to do everything possible to curtail public aid rising costs.

Attends Father's Funeral In Tucson

Mrs. Ernest Westlund of David Street, Antioch, is in Tucson, Ariz., attending the funeral of her father, Parker A. Kerby of that city, who died Sunday.

Funeral services will be held Thursday.

Survivors are his daughter, Barbara (Mrs. Ernest) Westlund and four grandchildren.

Melonnje Jensen On Dean's List

Melonnje C. Jensen, daughter of Mr. and Mrs. Robert Jensen, has been named to the Dean's Honor List at Drake University for the fall semester of 1968.

Melonnje is a junior in the College of Fine Arts majoring in speech.

SAFE PLACE

First Mother: "How do you keep your boys from eating between meals?"

Second Mother: "I lock the kitchen and hide the key under the soap in the bathroom."

Vets In School A Record

A record 23,014 Post-Korean veterans and servicemen entered Illinois schools and training establishments in the fall term just ended, John B. Naser, manager of the Chicago Veterans Administration Regional Office, said today.

It is almost certain, he added, that this record will be broken during the spring semester now starting.

Naser pointed out that before the beginning of the 1968-69 school year, the VA estimated that the peak fall enrollment nationally of Post-Korean veterans and servicemen would be about 553,000. Nearly 557,000 actually entered training.

The VA estimates the peak spring enrollment of eligible Post-Korean veterans and servicemen at approximately 640,000 nationally.

To be eligible for VA educational assistance under the Post-Korean G.I. Bill, a veteran must have had at least 181 days on continuous service part of it after Jan. 31, 1955, while a serviceman must have completed at least two consecutive years of active duty.

Naser said that of the 22,825 veterans in Illinois who entered training this fall, 12,891 enrolled in college level institutions, 2,387 took on-the-job training, he pointed out.

Servicemen in Illinois who entered college level training this fall totaled 139, with an additional 650 entering schools below the college level.

Naser explained that servicemen on active duty are not eligible for Post-Korean Bill on-the-job training.

Veterans and servicemen in Illinois who are entering G.I. Bill training for the first time this spring were reminded of a recent liberalization in VA training and education entitlement.

Effective last Dec. 1, the Post-Korean G.I. Bill was changed to give veterans separated from service after Jan. 31, 1955, one and one-half months of educational assistance—up to a maximum of 36 months—for each month of military service.

The previous limit was one month of entitlement for each month of service, Naser said.

Another provision of this new law grants veterans with at least 18 months of continuous service after Jan. 31, 1955, who have satisfied their military obligation, the maximum of 36 months of educational assistance.

Still another addition to the 31-month-old Post-Korean G.I. Bill education and training program entitles veterans who have not completed high school to receive VA assistance while earning their high school diploma or its equivalent. This assistance is not charged against a veteran's full eligibility for training beyond high school.

With a record number of veterans and servicemen in Illinois expected to enter training this spring, Naser urged those who are enrolling for the first time under the G.I. Bill to apply immediately to the VA Regional Office, if they have not already done so, for their Certificate of Eligibility.

He stressed that a delay in applying for this essential certificate could delay receipt of VA educational assistance allowance checks.

Production Credits To Local Cows

A report of milk production levels attained by dairy cows in the area has been received from Holstein-Friesian Association of America. The actual food production output, under official DHIR testing rules, by these local Registered Holsteins is:

Karen Ravenglen Truine 6407-025, a four-year-old, produced 20,070 lbs. of milk and 913 lbs. of butterfat in 358 days; Mistress Ravenglen Reflection 6407027, a seven-year-old, had 19,270 lbs. of milk and 869 lbs. of butterfat in 305 days. Both are owned by Ravenglen Farm, Antioch.

These new production figures may be compared to the estimated annual output of 8,513 lbs. (3,959 quarts) of milk and 315 lbs. of butterfat by the average U. S. dairy cow, notes the National Holstein Association.

The University of Illinois supervised the sampling, weighing and testing operations in cooperation with the Holstein Association through breed improvement programs.

Vets Can Qualify For More Insurance

Illinois veterans who suffered injury or illness in service may be entitled to as much as \$10,000 in life insurance in addition to the regular G.I. policy which they may convert on becoming civilians.

That is the word of John B. Naser, manager of the Chicago Veterans Administration Regional Office.

Naser said that this coverage is under VA's National Service Life Insurance program for men with a disability rated by VA as service connected.

The veteran must, otherwise be in good health and must apply for the policy within one year after the rating.

Veterans who wish to continue the Servicemen's Group Life Insurance they held while in uniform may do so by applying for a commercial policy with one of some 600 companies approved by VA to handle low-cost, converted SGLI policies.

This insurance must be converted within 120 days after separation and the policies are in force during this period at no cost to the veteran.

Naser explained that a combination of the two programs could give a disabled veteran a maximum of \$20,000 in low-cost life insurance.

The Chicago VA Regional Office head urged veterans who have received service-connected disability rating from VA within the past year but who have not applied for NSLI coverage to act immediately so that they will not lose out on this benefit.

Application forms and assistance from trained VA personnel in filling them out are available at the regional office, he said.

Naser also urged Vietnam era veterans who think that they may be entitled to service-connected disability ratings from VA which would entitle them to the NSLI coverage to visit the Chicago VA Regional Office. Arrangements will be made for medical examinations.

Denise Prather Sorority Pledge

Miss Denise Prather is a newly initiated member of Alpha Chi Omega social sorority at Millikin University, Decatur. Miss Prather, a freshman majoring in art, is the daughter of Mr. and Mrs. Ben Prather, Rt. 1, Lake Villa.

Dairy Farmers Will Get \$5.02 Price

A minimum order blend price of \$5.02 per hundredweight will be paid dairy farmers for Grade A milk delivered during January to plants within Zone 1 of the Chicago regional federal milk market order, Pure Milk Association announced today. This is 28 cents per hundredweight above the January 1968 blend price.

Zone 1 includes the Illinois and Wisconsin territory within 85 miles of Chicago city hall, plus Milwaukee county, Wis., and Winnebago county, Ill.

The 5.02 federal order minimum blend price applies to milk of 3.5 per cent butterfat content and is a blend of the \$5.53 per hundredweight minimum order price for Class I (bottling) milk and \$4.27 per hundredweight for Class II (manufacturing) milk. The producer butterfat differential on January milk is 8.1 cents per hundredweight for each one-tenth of 1 per cent above or below 3.5 per cent.

January Class I (bottling) milk utilization under the Chicago regional order was 328,843,143 pounds or 57 per cent of the 580,193,812 pounds of milk in the pool. This compares with 58.4 per cent Class I utilization on the market in December. The \$5.53 Class I price will return producers nearly 12 cents per quart on that portion of their milk used for bottling purposes.

The blend price is decreased 2 cents per hundredweight for each 15 miles beyond Zone 1.

Some representative January 1969 blend prices paid producers follow: Beloit, Janesville and Whitewater, \$5; Belleville and Astico, \$4.94; Fond du Lac and Mt. Horeb, \$4.92; Appleton, Neenah, Denmark and Wrightstown, \$4.88, and Fennimore, Reedsburg and Green Bay, \$4.86.

A superpool established by Central Milk Producers Cooperative provides funds for maintaining a standby pool, advertising and promotion, and supplies needed to meet market demands. CMPC is a group of Wisconsin and Illinois dairy farmer cooperatives, including Pure Milk Association, which supplies most of Chicago's Grade A milk. PMA is marketing agent for the group.

Merit Commission Performs Service

One of the dozen appointive boards or commissions serving county government is the Lake County Sheriff's Merit Commission. Like the members of the other appointive bodies, the Merit Commissioners serve at no pay.

According to State law, the commission is charged with setting up rules and regulations for the merit system and the certification of qualified applicants who seek employment in the Sheriff's office.

During the past year the Merit Commission tested 63 men. Of that number only 25 were certified out of 51 interviewed. The oral interview is considered an important part of the overall examination of candidates. Personal investigations are conducted into the background of each applicant.

Members of the Merit Commission are: Rudolph Magna of Round Lake, president; William J. Bicket of Zion, secretary; and William H. Hoyerman of Deerfield, vice president.

Commissioners report that 40 applications were handed out during the months of November and December; 15 were filed. Of the 15, only 9 passed the oral interview and six applicants from those previously recommended were hired by the Sheriff.

The commission meets regularly on the second Thursday of

each month, and in addition conducts special meetings when necessary such as interviewing prospective deputies.

Lake County was among the first to adopt the merit system after Cook County. There are now eleven counties in Illinois with a Sheriff's Merit Commission and they are in the process of forming a State association. Also, a bill has been introduced in the General Assembly to bring all 102 counties under a merit system for county law enforcement agencies.

Members of the commission feel the system has brought a new degree of professionalism to county law enforcement, primarily by taking it out of politics. The commission is proud of its high standards, believing that all the people stand to benefit from an effective force.

Scholarships Are Available

Illinois State Library scholarships for graduate study in library science have been announced by Paul Powell, Secretary of State and State Librarian.

The \$3000 scholarships are provided under the Federal Library Services and Construction Act as a part of the Illinois State plan for the strengthening of public library service to all areas of the state.

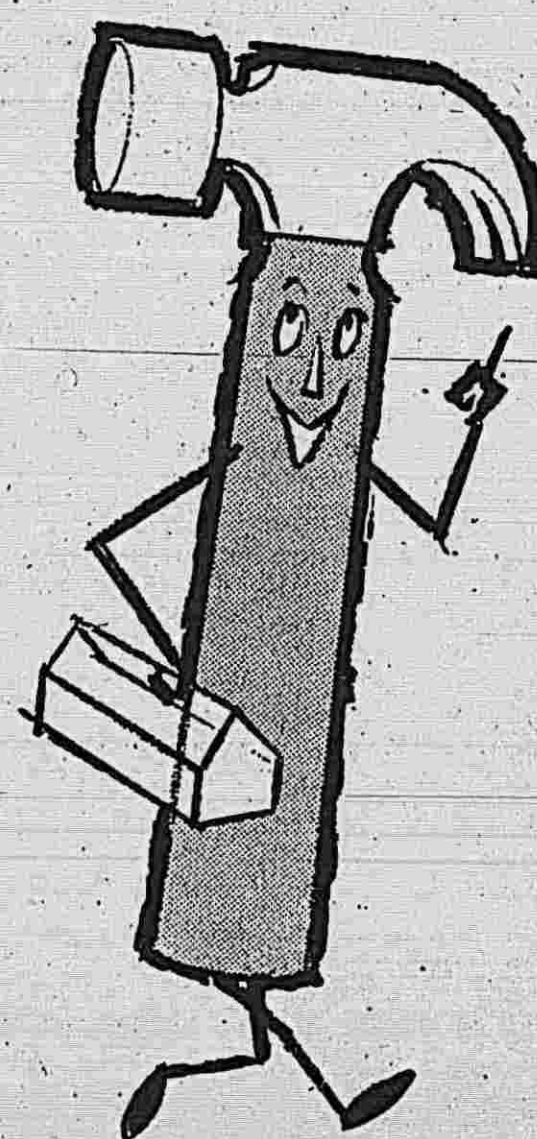

College graduates interested in a career in public library service may apply to the Illinois State Library Careers Center, 35 East Wacker Drive, Chicago, Ill. 60601 for information, or application forms.

The deadline for applications is March 31, 1969.

THURSDAY, MARCH 6, 1969

THE ANTIOCH NEWS-6

Antioch Beaten In Championship

Playing in their fourth District Championship game in five years, the Antioch Sequoits lost a hard fought game to the Warren Blue Devils 58 to 48.

Led by the fine outshooting of Doug Zeit, Warren moved to a 19-12 lead in the first quarter. Also helping the Warren attack was the fine rebounding of Guldan, Robarge and Worcester.

From this point on it was an uphill battle by the Sequoits. The Sequoits just couldn't get that big break or key play. Midway in the second quarter, the Sequoits had closed the lead to four points, 24 to 20, only to have Warren hit three straight free throws to again take a more comfortable lead.

During the second quarter Keith Bolton and Steve Owens received their 3rd and 4th fouls, a serious situation, as these two lads had been the strength on the boards during the first two tournament games.

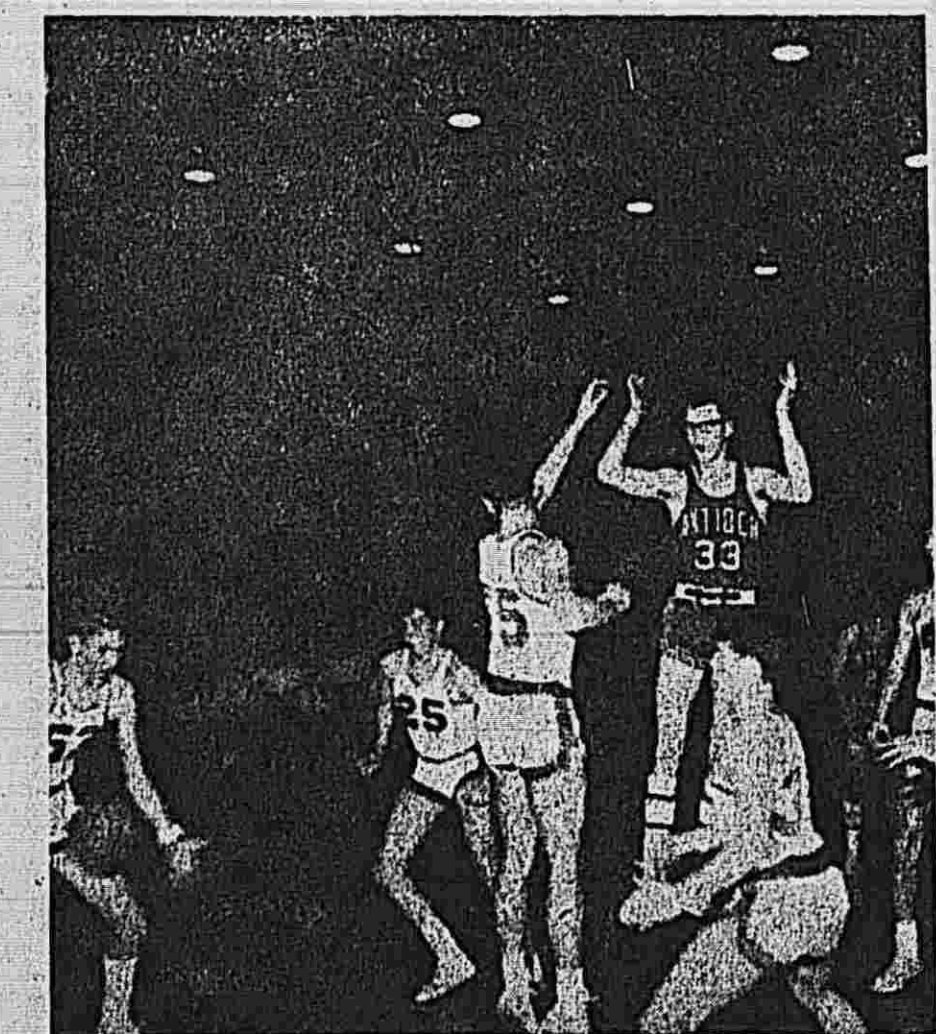

There were numerous floor violations, but the Sequoits just couldn't get on the right track and Warren went to the locker room at half time leading 31-22. The Antioch team played all of the third quarter without the services of Owens and Bolton because of foul trouble. Still the Sequoits were able to hold their own, but the lack of rebounding power was evident.

Finally in the fourth quarter, the Sequoits started to make their move. With Warren ahead 49 to 40, Antioch scored six straight points, a jump shot by Camp, two free throws by Boswell and a short jump by Boswell. It was at this point, the Sequoits just couldn't get a bucket to get them over the hump.

The Sequoits missed four chances to close the lead to one or two points, but each time the attempt fell off the rim. With time running out, Antioch had to foul and Warren cashed in at the line, making seven of nine attempts to win by 10 points. "The team played some very good basketball during the tournament. We should be real proud of our finish and the fine display of sportsmanship by the Sequoit squad was very enriching," quoted coach Andrews. "Now is the time to get ready for next year," added the Sequoit mentor.

Whip Round Lake

Opening their tournament play against Round Lake, the Sequoits played a fine game in beating the Panthers 71-55. In a game designed to control McCarty the county's leading scorer, the Sequoits did just that.

The game started out with an exchange of baskets as Steve Owens lead the Sequoit attack with 3 baskets in the first quarter. McCarty helped the Panthers' cause with 7 points. The Sequoits' rebounding was improving as the first quarter was ending.

In the second quarter Owens scored 10 straight points to give the Sequoits an 8 point lead midway through the quarter. The zone defense set up by the Sequoits was beginning to take its toll on Round Lake. The Panthers had a real hard time getting the ball inside to McCarty. With one minute left in the quarter the Sequoits were up 36-28, but for just a moment their defense

let up as Round Lake poured 5 points through the nets to cut the lead to three points, 36 to 33.

The second half was all the Sequoits, as fine team play prevailed. The defense was superb as McCarty was held to 5 points for the half and Cliff Wallwin didn't score. The Sequoits outscored Round Lake 35 to 22 in the second half.

The leading rebounders were Owens and Boswell with 11, followed by Bolton with 9 recoveries.

Smother Grant

In the semi-final game of the district tournament Antioch finished off Grant 58 to 41. Keith Bolton and Steve Owens were the leading scorers, thanks to some fine assists by Dave Camp.

The game was one of slow, deliberate play, with the Sequoit defense again leading the way to the victory. The Sequoits jumped out to an early 6-0 lead as Bolton hit two baskets and Jim Carlson made a fine drive. But before the quarter was over Grant forged back into the game as they tied the score 9 all at the end of the quarter.

The second and third quarters were total frustration for Grant as they couldn't get the ball inside against the Sequoit zone defense. During these two quarters Grant scored only 12 points. In the meantime the Sequoits were doubling the Grant output as Owens and Camp lead the scoring during these two quarters. The Antioch team took a 33-21 lead into the 4th quarter.

In the fourth quarter both teams loosened up, but Antioch

(Continued on page seven)

Whopping 713 Leads Antioch Bowl Scores

The Antioch Bowling Lanes Tournament is entering its last two weeks and T. Parichy, of Oak Park, is in the lead in the Men's Division with 720. John Jackowski of Waukegan is in second place with 712.

Willie Hanke, a local favorite, missed the top spot by one strike. He was high for this past week with a 703 total.

In the Women's Division, however, it's another story. Valerie Corbel of Antioch went on a strike spree shooting a 641 scratch and with the handicap of 72 pins posted a whopping 713 total, a record for the tournament.

Chris Arendt, local school teacher, shot into second place with a 683.

More than 1,300 entries have participated and with two more weeks to go it looks like all records will be broken in those bowling as well as in scores.

Next weekend will see some of the best of Milwaukee and Chicago bowlers.

Next Saturday at 10:00 p.m. Bruce Dalton of Milwaukee and other Classic League bowlers will toe the line.

At 11 p.m. Carl Berger, a well known bowler of Chicago and Antioch will be here with his Classic League pals.

On Sunday, March 9, at 3 p.m. Ralph Cummings of the Friendly Tavern Bowling team of the Classic League will be here with his

buddies including Muza (The Moocer) who at the present time is leading his league with a 202 average. That is also his weight.

Paul Krumske, the old Masters and Hall of Fame bowler who led the Chicago Classic Bowling League in average more years than any other bowler also will try his luck.

Joe Simonis also one of Chicago's best will be in this group. The present men's standings include:

T. Parichy, Oak Park, 720; John Jackowski, Waukegan, 712; Willie Hanke, Antioch, 703; W. Hornbogen, Oak Park, 702; William Marascalo, Kenosha, 701; James Vikre, Waukegan, 700.

In the women's division:

Val Corbel, Antioch, 713; Chris Arendt, Antioch, 683; Joan Slama, Bellewood, 666; Gwen Neua, Antioch, 663; Ruth Hinkle, Antioch, 646; and June Troyer, Antioch, 632.

Frank Zeman Makes Loyola Dean's List

Frank Zeman, a freshman at Loyola University, Chicago, has made the Dean's list with an average of 3.66 out of a possible 4.0 for his first semester final grades.

Frank, a major in History, is the son of Mr. and Mrs. Frank Zeman, Sr., of Rt. 4, Antioch.

Salem Wins Conference Title Game

In the biggest game of the Westlosha Basketball League history and the conference championship at stake, the Salem Falcons downed Brookwood 37 to 25.

Both teams entered the game with an undefeated record, while Brookwood had the highest scoring offense in the conference and had yielded only 16 points per

Conference Selects Dave Camp

Dave Camp, of Antioch High School, has made the Northwest Suburban Conference All-Conference basketball team it has been announced.

Receiving honorable mention was Keith Bolton of Antioch High School.

Other members of the All-Conference team included Jack Brown, Grant, John Idstein; Grayslake, Byron Baird, Grayslake, Reed Anderson, Lake Forest, Tom Hodgkinson, Lake Forest, Mickey McCarthy, Round Lake, Ted Werenki, Warren, Steve Lambert, Wauconda, and Wally Thiede, Wauconda.

Receiving honorable mention with Bolton were Cliff Wallwin, Round Lake, and Doug Zeit of Warren.

game. The game was played before more than 600 loyal fans from both Brookwood and Salem.

In the first quarter, the Falcons raced to a 13-2 lead, as DeBruin poured in 7 of his 15 points. The Falcons continued to dominate the game in the second quarter and at half-time, the Falcons held a 21 to 9 lead.

In the third period, the Falcons used fine passing and tough defense to increase their lead to 29 to 13 at the end of three quarters. In the fourth quarter, Brookwood fought back vainly, but were unable to cut the lead established by the Falcons.

The key to the victory was the fine passing of the entire team, strong rebounding of Biller and DeBruin and the scoring of Hall and DeBruin and the tough defense of the entire team.

Sophomore Basketball Consensus

Antioch's sophomore basketball team finished the season with an overall 15-9 record this year, but in the conference ended up 11-3. The shooting percentage for the season was 41.4 per cent from the field and 54.2 per cent from the charity line.

The team averaged 56.8 points per game while holding its opponents to 51.2.

Captain of this year's squad was Tom Martin. Leading scorer was Marty Romaine with 275 points or an average of 14.5 per game. Leading rebounder was Martin with 184 or 9.2 per game.

The best shooting percentage by the sophs was run up by Chip Gross with 47.1 per cent from the field and 70 per cent from the free-throw line.

Players participating included Scott Johnson, Steven Benel, Chuck Evanson, Gross, Dan Walsh, Martin, Doug Camp, Bill Martin, Don Koch, Tom Effinger, Jon Story and Romaine.

Sophomore cheerleaders who rooted their team home on many occasions were Dawn Ellis, Candy Nelson, Diane Vos, Randy Franke, Debbie Toft and Joan Walker.

GREAT AMERICANS

Teacher: "Have you finished your list of the eleven greatest Americans, Bobby?"

Bobby: "Not yet, teacher. I can't decide on the quarter-back."

Car Ice Races Is Safe Sport

By Jack Salika

On Sunday, Feb. 9, 1969, the Lake Region Sports Car Club held its annual ice races at the Wing & Fin Lodge near Volo.

It has been the long-standing belief that while driving on glare ice is potentially dangerous the worst component in that danger is fear. In order to educate its membership in the proper handling of an automobile on ice, these ice races were founded.

It now stands as history that in eight years there has been not one injury, no matter how slight, and on only about three occasions has there been any contact between cars. These contacts have also been of a very minor nature. It must be remembered that this is under racing conditions at the highest speeds possible on the glare ice, sometimes in excess of 60 miles per hour.

If practice makes perfect, the record stands for itself.

Early on Sunday morning the course is plowed out on Sullivan Lake, a private lake on the premises of Wing and Fin Lodge. (Driving a car on a public lake in Illinois is illegal.)

Before the cars are entered they are inspected for proper safety and running gear, registered, and allowed to practice and be timed for grid positions in the races. In 57 cars running this year, only four were equipped with studded tires. These ran in

their own class by themselves. All other cars ran with regular street tires with no special preparation for ice driving.

After a lunch break, the first race begins. The afternoon on Sunday saw the running of four races of twenty lap duration with, again, not one single collision or hint of injury.

Trophies will be presented to the winners of the time trials (morning) and races (afternoon), according to class. Classes are determined by engine size (under and over 3000 cc piston displacement) and placement of the engine in regards to drive wheels. (engine over drive wheels, front, and rear-engine cars). Another class is set for the slightly faster cars by virtue of their studded tires.

The event is covered by insurance paid for by the entry fees, and the trophy money is acquired in the same manner.

Car timing is very accurate, this being done by a well-rehearsed team of timers and scorers. Results are posted immediately at the end of the morning and afternoon's runnings.

The largest single proof provided by this sport is that the most important safety component in the automobile, regardless of legislation, is still and always the driver. It is his judgment and experience which make the car safe under those seemingly hazardous conditions.

Committee Lists Many Findings

The Citizens Advisory Committee on Driver Licensing has presented its final report to Secretary of State Paul Powell recommending 11 major changes in the present Drivers License Law.

Powell, in accepting the report, said the necessary bills will be prepared and presented to the current session of the General Assembly to give the members of that body an opportunity to consider them.

The committee was appointed by Secretary Powell about a year ago and has spent eight months in studying the present law and developing recommendations for improvements. The report was presented by the committee chairman, Matthew C. Stelski, vice president for traffic safety of the Chicago Motor Club.

Among the recommendations are:

1. Recommend persons who have successfully completed an approved driver education course be allowed to practice drive with their parents or any other person who is at least 21 years of age and has had a driver's license for at least one year.

2. Recommend any person who is enrolling in an approved driver education course after July 1, 1970, be 15 years and 6 months of age. After July, 1972, the age limit shall be increased to 16 years of age.

3. Recommend the abolishment of the notarization of applications for drivers license and substitute a certification of the document similar to the procedure used on the Federal Income Tax Form.

4. Recommend the broadening and upgrading of the driver license written examination in order to conform more realistically with present driving conditions and responsibilities of the driver.

5. Recommend the establishment of a Medical Advisory Board to assist the Secretary of State to evaluate drivers to determine if an individual's physical or mental condition might impair his driving abilities.

6. Recommend that a voluntary educational program be established through the State Department of Health to make physicians aware of the need to report persons whose physical condition would impair their driving ability. This recommendation is in lieu of a compulsory reporting system.

7. Recommend any person who has had his license suspended on two previous occasions and then has received three additional convictions within twelve months

have his license revoked.

8. Recommend the adoption of the Implied Consent law so that any person that has been arrested for a traffic offense have his license suspended in event of refusal to submit to a chemical test to determine the alcoholic content of blood. Such arrest shall be made by a law enforcement officer having reasonable ground to believe the driver is under the influence of intoxicating liquor.

9. Recommend the elimination of a restricted driving permit.

Under present legislation those persons whose license has been taken away can continue their driving under the present law.

10. Recommend provisions be made to extend the drivers license privileges to all persons in the Armed Forces.

11. Recommend that the Secretary of State appoint a Standing Citizens Advisory Committee to continuously review Illinois laws so as to conform with any changes in the Uniform Vehicle Code or in the Federal Highway Safety Standards.

Care Delivered \$6.52 In Aid For Every \$1

For every dollar donated in fiscal year 1968 CARE delivered \$6.52 in help to needy people, executive director Frank L. Goffio announced in the agency's 22nd Annual Report.

Public contributions, totaling \$12,252,404. They were multiplied by CARE partnership agreements, whereby local governments contribute toward operating costs, and United States' donations of agricultural abundance. Thus, a total of \$79,956,809 worth of food, self-help and medical aid was distributed in 37 counties.

Among the results highlighted in the report:

CARE helped feed 37,000,000 people, of whom 22,600,000 were children served regularly at institutions, preschool centers and schools—many of which CARE helped to build.

It provided construction materials to start 200 new schools, for 21,000 children; school supplies for 700,000 students.

In typical self-help packages, CARE delivered enough tools to train 45,000 carpenters, 38,000 farmers. In addition, it invested \$950,000 in special purchases for self-help projects, from farm and craft cooperatives to community water systems and canneries.

War victims in South Vietnam benefited from \$987,000 in food, textiles, education supplies, rebuilding and work equipment.

Medical teams and visiting specialists serving with MEDICO, a service of CARE, treated an estimated 600,000 patients and helped train local personnel, from doctors to auxiliary nurses.

The "key to the successes achieved," Mr. Goffio stressed in

his statement, "is CARE partnership policies."

Following a pattern that began with the feeding programs, cost-sharing commitments were expanded in 26 official contracts to build roads, schools, clinics, nutrition centers and other community resources in developing nations.

Financial support from national, state and municipal governments averaged 20 per cent of CARE's total costs for such construction projects negotiated during the year. Community residents are also required to give whatever they can in materials and volunteer labor. With funds from its donors, CARE then buys whatever else is needed to complete the job.

"The concept is simple," Mr.

Goffio stated. "If each of the parties to the pact makes the contribution within his power, the result can bring new and flourishing life to towns and villages mired for generations in a drab and hopeless existence."

"The advantage to the donor is that his contribution acts as a catalyst: it spurs individuals and groups in many countries overseas to undertake projects with a value far exceeding the dollars he has put into them."

The report covers the 12 months ended June 30, 1968. Current CARE programs reach 36 countries of Latin America, Southern Europe, the Middle East, Asia and Africa, including an emergency program for victims of the Nigeria-Biafra conflict.

Ant. Beaten . . .

(Continued from page six) still outscored Grant 25 to 20 in the final stanza. Bolton paced the 4th quarter attack with 9 points and Bereliter lead Grant with 11 points.

Keith Bolton again lead Antioch in rebounding with 11, followed by Jim Shore with 8. Bereliter also was top rebounder for Grant with 9 grabs.

Salem "B" Squad Has 12-1 Mark

Salem Consolidated "B" squad turned in the most successful season in the school's history, as they compiled a 12-1 mark. The "B" squad opened the season with an intrasquad game between the Blues and Reds with the Red team winning by one point. The Falcons' first foe was North Cbpe and the boys opened the season on the right foot as they won by a 20-14 count. Salem was paced by Bovee, LaMeer and Jacobsen as they scored 14 of the 20 points.

Antioch was Salem's next opponent, and the visitors handed the Falcons their own defeat of the campaign. The Falcons' next foe was Waterford and once again they got back on the winning foot, as they scored a 27-14 victory. Paving the way to victory was Koencke, LaMeer and Plants.

In their first conference game of the season, the boys from Salem roared past Lakewood, 50 to 11. Strong rebounding and fine shooting were the keys to the victory. Leading scorers were Bovee, Koencke, LaMeer and Paddock. The next conference opponent for the Falcons was Riverview. The Falcons posted their second conference victory and fourth of the season as they outscored Riverview, 27-15. The rebounding of House and shooting of Sheehan were the biggest contributions to the victory.

In their third game after the holidays, the Falcons met an undefeated quintet from Bristol. The Falcons turned in their best performance of the season as they slumped their foe, 30-2. The key to the victory was the fine handling, passing, shooting and tough defense of the entire team. The Falcons' attack was paced by Plants, Koencke, Jacobsen and Sheehan. In the next game, the boys from Salem turned in another fine performance as they downed Trevor 38-5. The scoring of House, Jacobsen and Koencke paved the way to the victory.

The Salem Falcons continued their winning ways as they raced past Paris, 26-7. The rebounding of Koencke and the scoring of Jacobsen, Koencke and Sheehan were the highlights of the game.

The Falcons posted their sixth conference victory of the season as they rolled over Holy Name 27 to 3. Pacing the Falcons' attack were House, Jacobsen and Plants. The next foe for the "B" squad, was a non-conference squad from Waterford. The Falcons squeezed past their opponent by a 20 to 18 count. The key to the tough victory was the strong rebounding of Koencke and the scoring of Bovee, Koencke and LaMeer.

Returning to conference action, the boys from Salem turned in an impressive 30-10 victory over Wheatland. Once again it was the strong rebounding of Koencke and Glover and the scoring of Koencke and Glover which lead the way.

The Falcons then traveled to Brookwood, where they played two "B" squad games. In the first game the Falcons turned in an impressive 23 to 2 victory. It was the hot shooting of Plants and House which were the key to the victory. In the second game the Falcons posted a 27-6 triumph. The balanced scoring of Jacobsen, Koencke and Bovee lead to the victory.

The "B" squad completed the season and an undefeated season in conference play with a 37 to 6 victory over Randall. The leading scorers for the Falcons were Sheehan and House.

The leading Falcons in the statistics column were Koencke, House and Plants in rebounding while Bovee and Jacobsen were the leaders in assists. As a team the Falcons shot 31 per cent from the field while they shot only 32 per cent from the free throw line.

MONDAY NIGHT TAVERN MARCH 3

Old Hickory Inn with George Schoenleben leading the way with a fine 216-586, rolled the team high series for the evening, 922-889-892-2693, taking two games from Maggie and Bob's. Frank Heiselmann 215-597 for Maggie's.

For Fiddler's Green, George Hucksteadt rolled a fine 227-580 but his team dropped two games to Cole's Tavern. Norm Christian 198-519 for Cole's.

Jim Portalski, 182-526, paced Helvetia Hotel to a pair of wins over Red Arrow Tavern. J. Muskat, 185-503, for Red Arrow.

Rolling for Open Door Tavern, Harry Pavel broke loose from everyone, rolling high series for the evening, 179-172-225-606, pacing them to three wins over Cliff Crittenden, 189-502, and Paty's Lounge.

Les Palmer, 194-532, led Lake Shangri-La Tavern to three nice wins over Johnson's Resort; Norm James, 203-542, was high for Johnson's.

Pete Lehman, 215-518, led Kempf's Tavern to a pair of wins over The Angels. Arnie Colby, 201-545, for The Angels.

Oakland To Compete In Lakes Tourney

Johnsburg Jr. High School is host team for the annual Lakes Conference Basketball Tournament to be held at McHenry Community High School East Campus, on March 7th and 8th. Top seeded Oakland of Antioch is the local team represented in the tournament. Other Conference teams include defending champion Johnsburg, Harrison, of Wonder Lake, Fremont, Avon and Big Hollow.

Harrison opens the tournament against 6th seeded Avon on Friday, March 7th at 7:00 p.m., followed by Fremont and Big Hollow. The winners advance to the semi-final round to meet Johnsburg and Oakland on Saturday, March 8th beginning at 1:00 p.m. The finals of the tournament will be held Saturday night, March 8th. The 7:00 game will be for 3rd place, the 8:00 game for the Championship.

Tickets for the tournament may be purchased at the gymnasium. The doors will open at 12:30 for afternoon sessions and 6:30 for evening sessions.

The Champ's Trophies and patches were presented last night with Joe Elfinger rolling for Helvetia Hotel receiving a trophy for beating the Champ with a series of 713, also receiving a trophy for being the highest bowler in the house during that event.

George Schoenleben also received an arm patch for beating the Champ with a 711 series.

BI-STATE COMMERCIAL THURSDAY, FEB. 27

High Scorer: W. Streckfuss, 216-188-204-606.

Phil's Restaurant 3; Marchuck's Resort 0; Quaker Ind. 3; Johnson's Resort 0; Beauti-Vue Products 2; Charmglow Mfg. 1; Midlakes Motel 2; Ted's State Line 1; Brave Bull 3; Miller's Dog Inn 2; Suds 0; Lyons & Ryan Ford 2; Plaza Texaco 1.

250,000 Loans For Vets

The guarantee of 250,000 G.I. home loans in 1969 is now forecast by the Veterans Administration.

This is approximately 50,000 more than the VA estimated before the recent increase in the maximum FHA-VA home loan interest rate to 7 1/2 per cent.

Wm. J. Driver, Administrator of Veterans Affairs, said the anticipated 250,000 loans will go far to meet the G. I. Bill home loan benefit requests of recently returned Vietnam era veterans.

"Currently," he said, "approximately 25,000 veterans a month are applying for G.I. home loans. The overwhelming majority are younger veterans who generally are not in a position to meet the higher down-payment requirements of most conventional loans."

"These veterans need and deserve the G.I. home loan program with the advantages of small or no down payments and long-term mortgages," Driver said.

The VA head reiterated the Administration's determination to check the spiraling of interest rates. However, he added, "the first priority had to be to restore the competitive value of G.I. home loan interest rates so that the certificates of loan eligibility issued by VA would amount to more than mere 'hunting licenses'."

Driver said that in recent months the high and increasing discount rates charged by lenders have driven builders and owners of existing homes from the G. I. home loan market.

"With G.I. home loan interest rates again competitive with private financing rates throughout the country, we are hoping to provide loans for 50,000 more veterans who otherwise would have been frozen out of the home market," he added.

Government Watchdog Is Created

A newly-created Government Operations Department of the Illinois State Chamber of Commerce will be based in Springfield to act as the businessman's watchdog on state spending, to suggest procedures to increase the efficiency of state department operations and to help the Legislature determine project and program priorities.

Scheduled for Feb. 3 opening, the new department will be located at 415 Illinois Building in Springfield, with this Chamber branch office reactivated on a full-time basis.

Manager of the new department is Donald H. Kronenberg, assistant manager of the State Chamber's Tax Department since last November. He will also serve as secretary to a Government Operations Committee now being organized.

A former Peoria resident, Kronenberg served with Caterpillar Tractor Co., since 1954 in various capacities, including taxation, accounting and compensation research, and computer systems.

Kronenberg is an honor graduate of Bradley University with a bachelor of science degree in business administration. He served with the U. S. Air Force in Korea. Kronenberg, his wife and three children are relocating to the Springfield area.

The new Government Operations Department was created when the State Chamber's Board of Directors authorized certain changes in the Chamber's organizational structure to provide the necessary business leadership and staff

Assessment
Docket No. 24

NOTICE

NOTICE IS HEREBY GIVEN that, Whereas, the Mayor and Board of Trustees of the Village of Antioch has previously made provision for the construction of a local improvement to be paid by special assessments, which improvement consists of construction of a system of sanitary sewers with the necessary manholes, force mains, lift station and all necessary appurtenances in a portion of Hillside Avenue and Hennings Court (a/k/a Hennings Road), in the Village of Antioch, and

Whereas, a petition for the levy of a special assessment to pay the cost thereof has been previously filed in the Circuit Court of the Nineteenth Judicial Circuit, Lake County, Illinois, County Division, and an assessment therefor has been duly confirmed by the Court and contract for the construction of such work has been duly let and the work completed as required by law, and a certificate has been filed by the Board of Local Improvements showing the completion of the work in substantial compliance

with the ordinance for the construction of the same and an application has been made to the said Circuit Court to consider and determine whether or not the facts stated in the Certificate of Completion are true. A hearing will be held on the 27th day of March, 1969 at the opening of court, or as soon thereafter as the Court's business will permit, and the Court will hear and determine any objections and enter an order according to the facts.

Navy To Cache Apollo 9 Covers

Manned Spacecraft Recovery Forces of the U. S. Navy will provide collectors with "Recovery-Day" cachet and cancellation services for the upcoming Apollo 9 manned space flight.

Philatelic coordinators designated for Atlantic and Pacific Fleet Recovery Forces (Task Forces 140 and 130) will receive all such envelopes and make the distribution to assigned ships.

To permit adequate time for required handling of covers, collectors should mail pre-stamped, self-addressed envelopes to reach the appropriate coordinator prior to February 13. Covers received after this deadline will be cancelled at Norfolk or San Francisco.

Due to popularity of this service and postal facility limitations on recovery ships, the coordinator for Task Force 140 will accept only 6 envelopes while Task Force 130 will accept 8 covers from each individual collector.

Addresses for Atlantic and Pacific area coordinators are: **TASK FORCE 140—Public Affairs Office (Apollo 9), Manned Spacecraft Recovery Force, Atlantic, Building SP-71, Naval Air Station, Norfolk, Virginia 23511, and TASK FORCE 130, Chief-in-Charge (Apollo 9) Navy Terminal Post Office, FPO, San Francisco, Calif. 96610.**

DEATH NOTICES

WILLIAM T. SOLDMANN
William T. Soldmann, 82 years old of Petite Lake near Antioch, passed away at 5:45 a.m. Sunday, March 2nd, in Victory Memorial Hospital following a one year's illness. He was born July 12, 1886 in Statine, Germany and came to America in 1887 to reside in Chicago, until moving to Antioch in 1937. He is a member of North Shore Lodge No. 937 A.F. & A.M., Lincoln Park Commandery, Life Member of Medinah Temple of the Shrine A.A.O.N.M.S., Chain O' Lakes Shrine Club, and the U. S. Republican Fund of Illinois.

He retired 7 years ago as secretary and treasurer of the Sand Knitting Mills Co. of Berlin, Wis., and formerly of Chicago after over 40 years. He married Adelia Sands on June 16, 1909 in Chicago and she passed away on Feb. 10, 1936.

Survivors are one daughter, Mrs. Loraine (Normal) James of Antioch; one son Dr. William T. Soldmann, LaMesa, Calif., 2 sisters, Mrs. Mary Bosse, of Antioch, and Mrs. Elsie Schumacher of Dos Angeles, Calif.; six grandchildren, and 9 great grandchildren.

Funeral services were held at 1:00 p.m. Wednesday at the Strang Funeral Home in Antioch. Interment was in Memorial Park Cemetery at Skokie, Ill. Friends called after 2 p.m. Tuesday at the funeral home. Those so desiring may make contributions to the Antioch Rescue Squad.

HAROLD F. SCHOENBECK
Harold F. Schoenbeck, 48 years old of McHenry, passed away Friday, Feb. 28th at 7 p.m., in Condell Memorial Hospital in Libertyville, after a long illness.

He was born May 19, 1920 in Avoca, Wis., and resided in Bristol for three years and in Bristol, Wis., for 17 years before moving to McHenry five years ago.

He was a member of Zion Evangelical Lutheran Church at Bristol. He had been employed for the past 22 years at the F. G. Hough Co. of Libertyville, that is now known as International Harvester Co., where he was a supervisor. He married Violet L. Harper on May 2, 1943 at Boswell, Wis.

He is survived by his wife Violet; four sons, Arnold Liefbrig, of Bristol, Daniel Schoenbeck, of Kenosha, David Schoenbeck, of Silver Lake, Joseph Schoenbeck, of Washington, D.C., one daughter, Mrs. Darlene (George) Lentz, of Bristol; his mother, Mrs. Minnie Schoenbeck, of Muscoda, Wis.; three brothers, Karl, of Muscoda, Otto of Milwaukee, and Paul of San Diego, Calif., and 9 grandchildren.

He was preceded in death by his father, William Schoenbeck in 1959.

Funeral services were held at 1:30 p.m. on Tuesday at the Zion Ev. Lutheran Church in Bristol. Interment was in Hosmer Cemetery near Bristol. Memorials may be given to Zion Ev. Lutheran Church.

OTTO GABRIEL

Otto Gabriel, 68 years old, of Salem Oaks Subdivision near Salem, Wis., passed away at 8:00 p.m. on Friday, Feb. 28th, in Burlington Memorial Hospital after a long illness. He was born Dec. 13, 1900 in Westphalia, Germany, and came to America in 1913 to reside in Chicago, then moved to Salem permanently in 1966, but had spent his summers here since 1937. He was a flat janitor by occupation and had resided at 6309 N. Kenmore in Chicago for 15 years before coming to Salem. He was a member of the Chicago Flat Janitors Union.

He married Hattie M. Otzwirk on Aug. 27, 1922 in Hurst, Ill. He was preceded in death by a son Tony O., in 1946 and a daughter, Lucille, in 1929.

Survivors are his wife, Hattie, two sons, Kenneth, of Bristol, Wis., and Dennis, of Racine, Wis., two sisters, Mrs. Erna Parker, Gary, Ind., and Mrs. Elsie Eller, of Maryland Heights, Mo., and one grandchild.

Funeral services were held at 1:30 p.m. on Monday at the Strang Funeral Home in Antioch. The Rev. Lewis VonTroit of Christ Lutheran Church at Pad-dock Lake officiated. Interment was in Salem Mound Cemetery near Silver Lake, Wis.

CHRISTIAN G. FRIEDMANN
Christian G. Friedmann, 66, of Trevor, Wis., died at 11 a.m. Wednesday, Feb. 26, in his home at Camp Lake Gardens.

He was born May 29, 1902 at Koenichbrun, Germany and came to America in October, 1924, to reside at Lakota, Iowa, then moved to Chicago in 1928, and to Trevor five years ago.

He is a retired metal polisher by occupation. He married Pauline Ladewig on Dec. 22, 1928 in Chicago.

Survivors are his widow Pauline, a son Christian C. Friedmann, Malvern, Pa., a daughter, Mrs. Carol (Raymond) Nipp, Trevor, Wis., two sisters, Mrs. Marie (Ernest) Christ, Lakota, Ia., and Paula in Germany, and six grandchildren.

Funeral services were held Friday at the Strang Funeral Home in Antioch. The Rev. Wilton Anderson of St. Stephen Lutheran Church officiated.

Advisor Says Start Your Own 4-H Club

If you would like to belong to 4-H but there is no club in your community or are unable to locate one, why not start your own, suggests David Smith, McHenry County Assistant Extension Adviser.

Any boy or girl between nine and 19 years old may start or join a 4-H club. Begin by finding four friends who would also like to be 4-H members. Then ask a parent or adult friend to be the 4-H leader. Have the leader contact the McHenry County Extension Office, P.O. Box 431, Woodstock, Ill. 60098, in the Farm Bureau Building, or call 815-338-3737 for program materials.

Next, select a club name, elect officers and decide what projects and activities you'd like to do this year, Smith says.

There are 57 different projects available whether you live in the town or country. Some of the more popular projects include bicycling, foods, entomology, bird study, electricity, home grounds improvement, baby-sitting and crafts.

Activities include camping, recreation, music, judging contests, public speaking, demonstrations and Share-the-Fun festivals, he says.

Ask four friends today and start your own 4-H club.
